AEGIS 1982
VOLUME 24

We all had hopes for our future. We tried to picture our life many years ahead. There were so many questions that we asked ourselves. What will we do? Will we reach a point in life where we are satisfied? And did we meet the goals that we had set for ourselves?

Some were not able to answer these questions. Others were dissatisfied with their answers, and yet some answered with no hesitation.

There's no telling what life had in store for each of us. All we could do was to take from it what we could, and gave it all we've got while we

FREE AND EASY

is the way life after high school is thought to be. But one day each of us shall experience it, and find out it's not always so. Building a future takes a lot of time and effort. Not only when you're out of school, but as you are working your way through it. But when you've finally achieved the life you want, you'll realize that it was all worth it.

1. Lisa Quintal spends her free time studying. 2. "Free and Easy" 3. Randy Coursey and Mary Kate Hurley—together. 4. Jennifer Hilton smiles for the camera. 5. Mike King, Melvin Silva, Jr. Herrera, Charles Bonney and Simon Torres overtaking the snack bar.

2▲

MOVING UP

Now that the year is over, we all have our memories to look back on. All the friends we had for years and the new friendships that arose, the good times and the bad, are all safe in our memories.

We've all grown in so many ways, and it's all reflected in what we say and do.

Now it's time to move ahead, find the direction we want to go and start moving.

1. Mr. Tootle selling yearbooks in the student store. 2. Inealcio Padilla enjoying a leisurely afternoon on the patio. 3. Bill Wells and Lisa Quintal spending their lunch hour together. 4. Depicting "Moving Up," the cattails reflect their beauty in the water. 5. Clowning around as usual are Sheryl Shawn, Mike Lewis and Lynette Olivan.

Enthusiastic teams got off to a fantastic start. The spirit everyone had was shown throughout the season, whether the game was played in the sweltering heat of the afternoon, on a cold rainy night, or whether they won or lost. LANCERS proved they were number one!

fall sports

LANCERS BUILD PRIDE AND CONFIDENCE

Hitting them hard, this year's Frosh team made the 81-82 football season at Tennyson an exciting one. The long summer of dedicated practice enabled Coaches Randy Malmgren and Alan Hart to build a strong, ambitious team.

As the year progressed, the Lancers became stronger and more united. They showed the opposition what it took to make a good team. Team captain, Kelly Musgrove, added, "We worked really hard this summer and it really paid off because this year's team was exceptionally better than last year. We really had a good time and I know that next year's team will be even better."

Coach Randy Malmgren quipped, "The Frosh team played to it's potential as the league season opened up. A strong offensive line of Just Joplin, Tim Moore, Chris Bygum, Kelly Musgrove, Eric Silva, and Jason Lee opened up holes for John Lambert as he approached the 1000 yards rushing. Quarterback Darryl Clarke ran the offense. The Defense was run by captain Kelly Musgrove with Jay Johnson anchoring a strong line backer corp.

Tennyson can be proud of our top-notch Frosh Team. They left a very positive mark on us with their superior techniques.

John Lambert hits them hard as he pushes back the opposing team. 5. Captain Kelly Musgrove prepares his team as they approach the next play.

4▲

5▼

AWESOME LANCERS

led by Coaches Milt Pickford and Bill Caprasecca showed great promise and hope. "The Lancers came onto the field with Ray Magallanes and Simon Torres as one of the best pairs of wide-receivers in Lancer history," said Coach Pickford. Jackie Williams' running kept alive Tennyson's history of great runningbacks. Manuel Manzo, offensive captain with his powerful front front line, Dave Edwards, Don Edwards, Steve Dimas, Vince Black, John Vilche, and Melvin Silva held back defensive efforts to get the ball.

When the year began the Lancers hoped to be rated in the East Bay 2A Polls. Their dreams came true after defeating both Moreau and McClymonds, they were rated fifth. This was the highest the Lancers were ever ranked in Tennyson history.

The Lancers worked very hard the week following the game against McClymonds getting ready for the strong Oakland Tech. Oakland Tech played a very tough aggressive game, but the Lancers' awesome power was proven too tough for Oakland Tech. Lancers beat them 21-12. Oakland Tech was the last game for our Lancers in pre-season and after that game we were

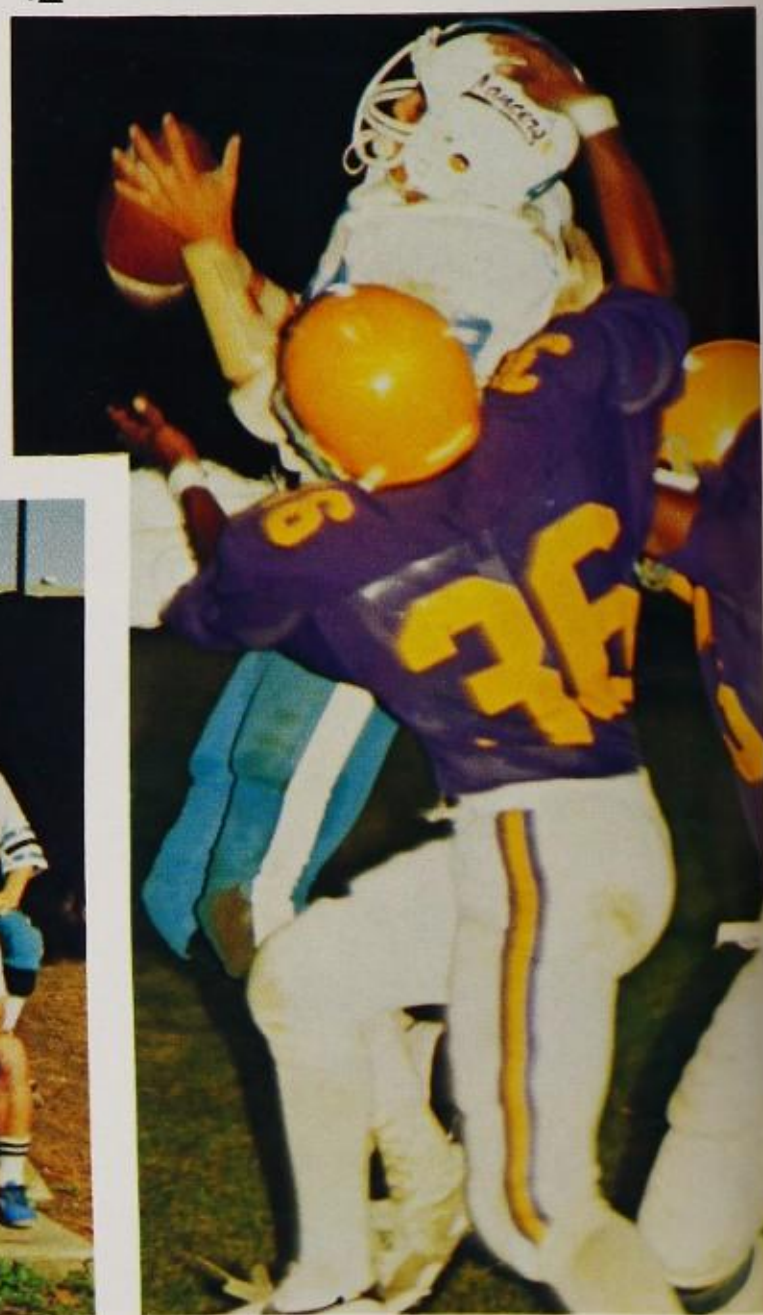

RATED THIRD

LANCERS SHUT OUT FARMERS

Hayward High's football team looked into a mirror on Friday night, October 9—and the Farmers didn't like what they saw.

Tennyson, taking charge physically in much the same way the Farmers have done in the past, ran through and passed over the two-time defending Hayward Area Athletic League champions 34-0 in a shocker.

"It's a pure pleasure to beat a two-time defending champion," Pickford beamed. "The kids dedicated the game to themselves and they played like that."

The Lancers, as they would do all night, rose to the occasion, however, holding the Farmers to four yards in four plays en route to the first SHUTOUT OF HAYWARD by an HAAL team since 1976.

1▲ DO IT TO IT

was the tennis team's motto to get them in the spirit to take on their opponents. That's what really aided the tennis team was their great spirit and enthusiasm to win.

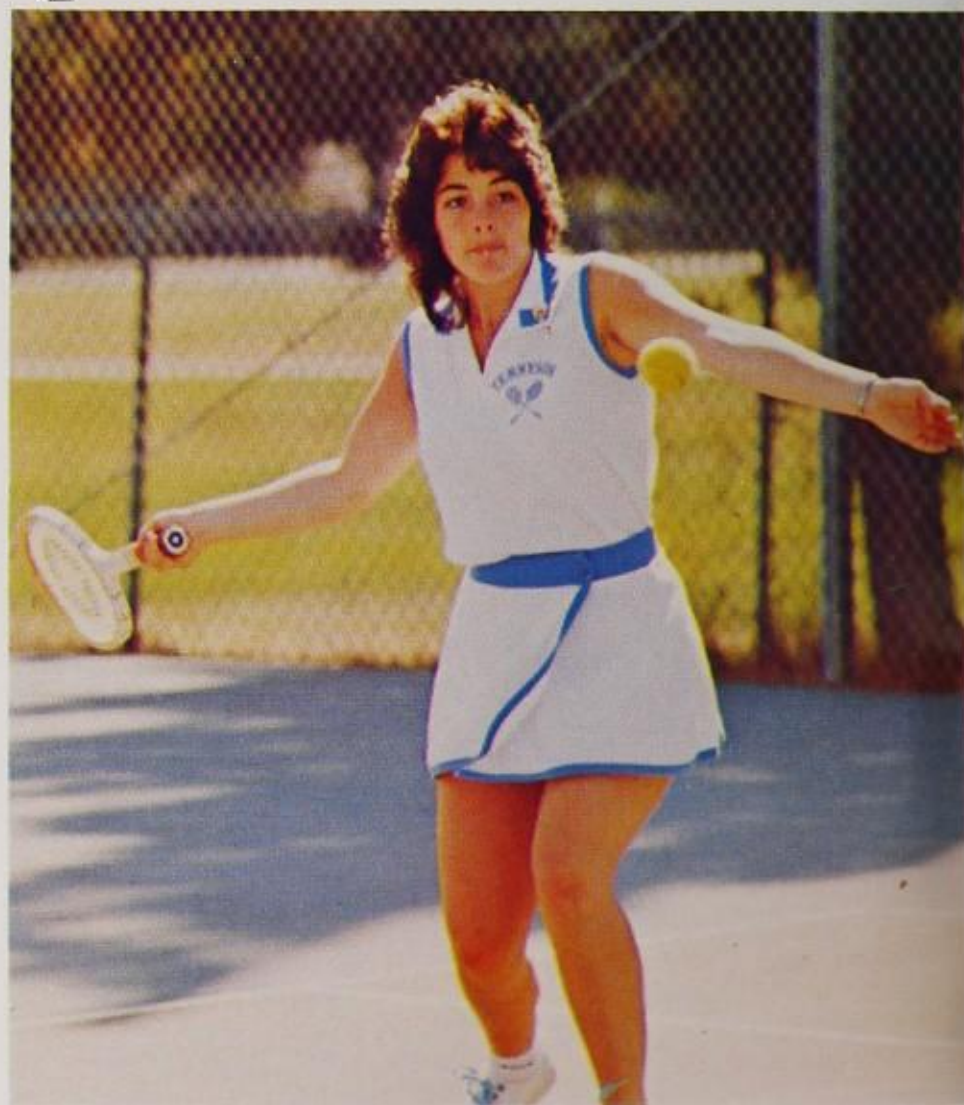

"Fantastic," Tennis coach, Mrs. Harris said with a smile, "The team has it if they will put it to work."

There were six new tennis players this season. Even though they were rookies the experience they have received will promise for a steady team next season.

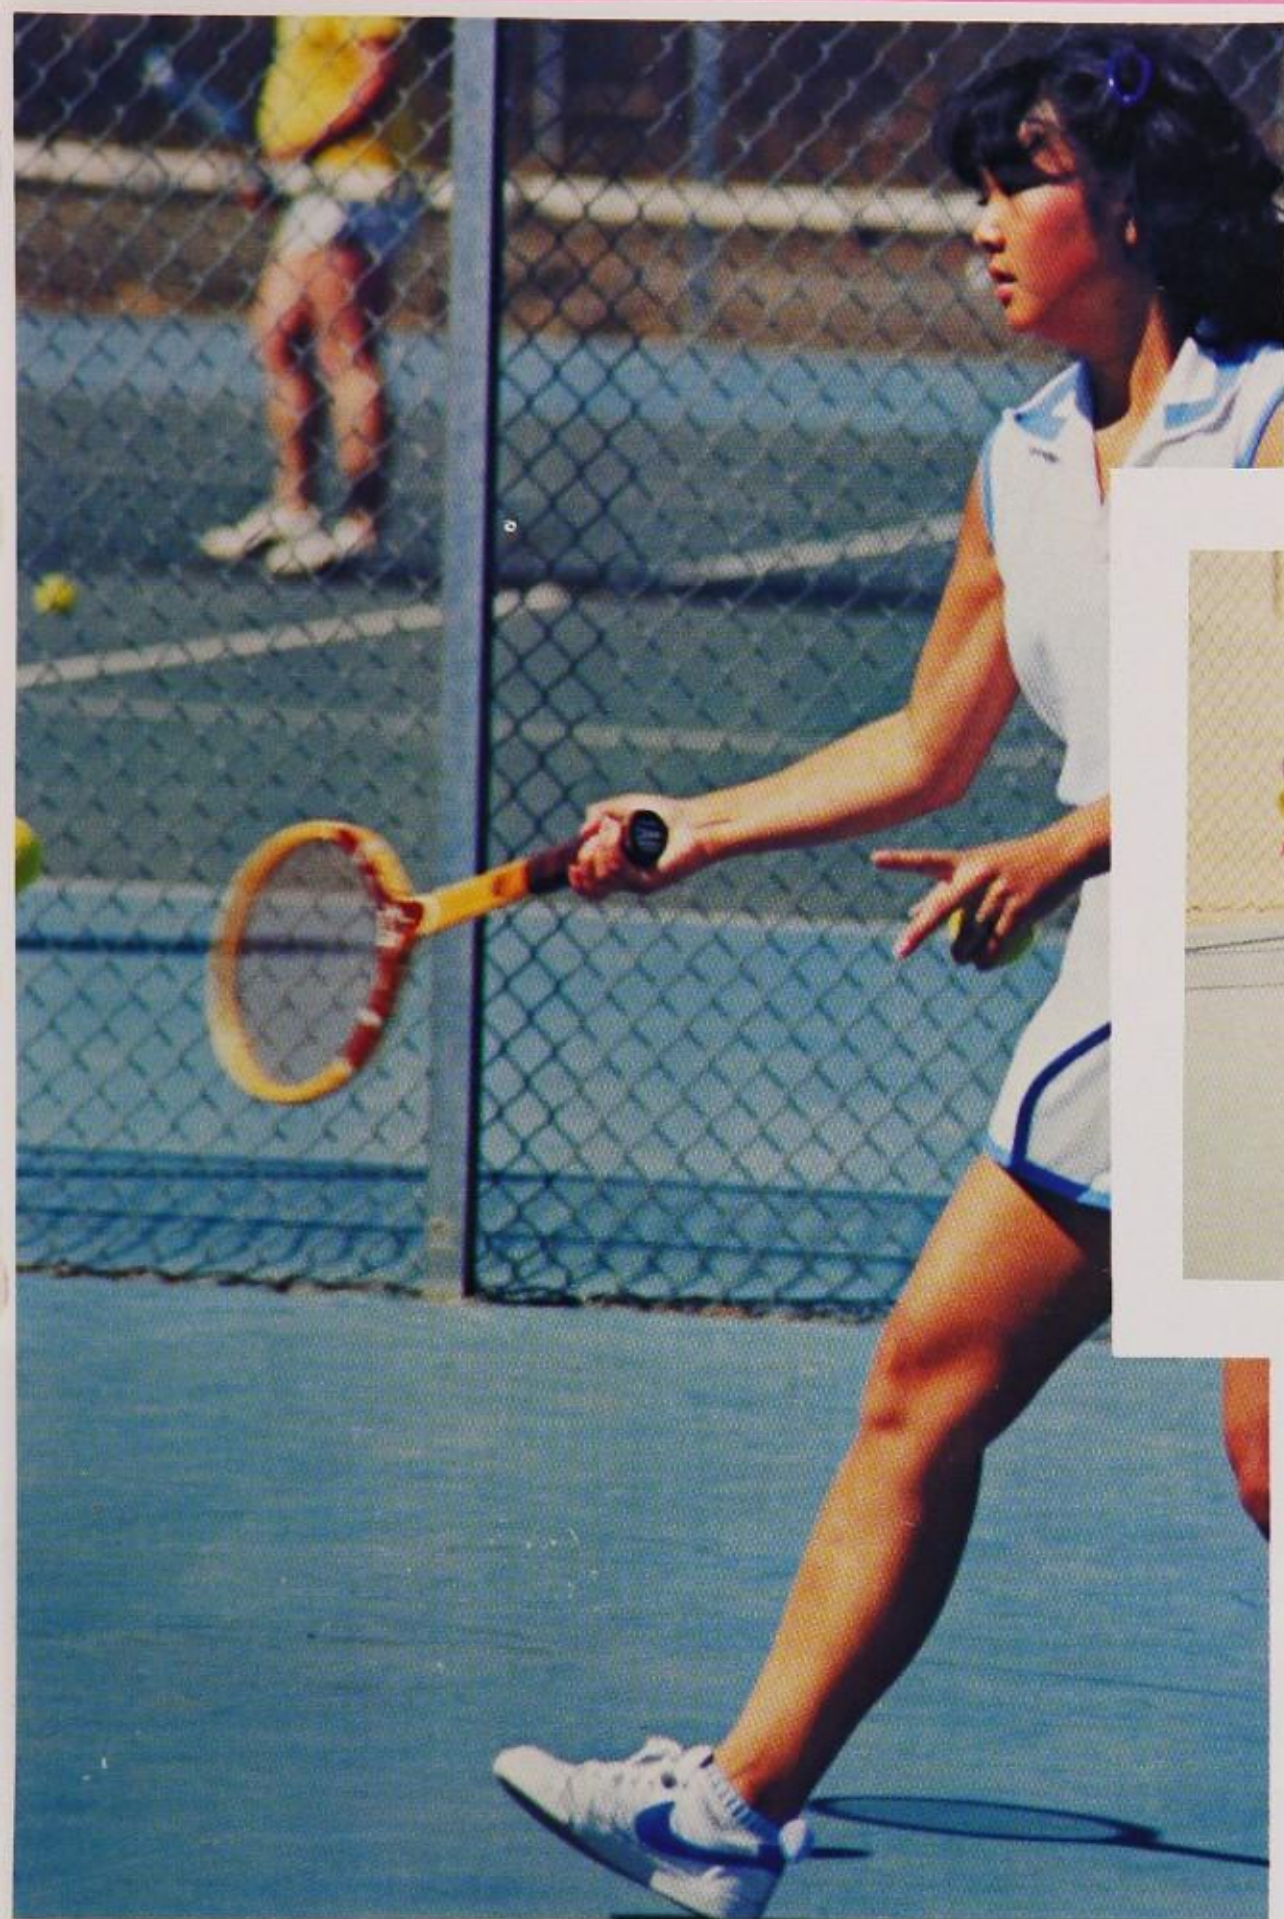

1. Back row: Ellen Nagasawa, Carrol Pena, Debbie Dean, Michele Yin, Frances Silvia, Coach, Mrs. Harris. Front Row: Vivian Castro, Susan Quan, Teresa Deh-Lee, Sharon Quan, Gina Taylor, not in picture Donna Sakata and Sherrie Henderson. 2. Debbie Dean shows her style with determination. 3. With confidence, Ellen Nagasawa hits the ball. 4. Looking at the ball with intense concentration, Sharon Quan prepares to hit the ball. 5. Team Captain, Michele Yin, shows form with her backhand. 6. Frances Silvia is surprised as the ball curves toward her. 7. Gina Taylor prepares for a dazzling return.

GOING THE DISTANCE

Dashing through long and tiring trails of Garin Park and running lap after endless lap around the field, cross-country team runners had one thing on their minds, "Going The Distance". These were part of the strenuous exercises they had to go through to be in best possible running condition, the team practiced sixteen to eighteen hours a week and ran about six to eight miles each day in practice alone. Coach, Mr. Ron Stark, worked equally hard preparing them for their meets that they had this year.

"Everyone on the team had to have one of three qualities. They had to be crazy, or had to have a lot of self-discipline or they had to be truly dedicated, because cross-country has a lot of pain involved," said Coach Stark.

Top Runners on the team were Manoj Sen, Ramon Fuentes, Connie Hurtado, Chris Finn, and David Benevente, these five runners were the strength of the team. However other team members were nothing to leave behind for without them they could not have finished in such a dynamic way.

"In a sport like Cross-Country, being a boy or girl doesn't matter as long as you can run the long distances in a good time," said Connie Hurtado. She was the only girl here to go to the finals!

"We would not have had a chance without the strength and encouragement of Coach Stark," said Freshman Zeddrick Scott.

"Although we lost two of our top runners and gained a lot of inexperienced runners, we still felt that we could do well," said Manoj Sen and Ramon Fuentes. And they were proven to be correct as the team jogged their way into one of the top four spots in the Hayward Athletic league.

1▲ ANOTHER SMASH SEASON

What constitutes a successful volleyball team? Dedication, teamwork, skill, and expertise, and Tennyson Lancers possessed all of these this past season. The season started off very strong and ended equally as well. As the season progressed the team demonstrated great talent and awesome execution. Irene Clenney, team captain, kept the Lancers together. A good example of Tennyson's togetherness was displayed at the Marina game on October 2. The Lancers easily won the first game 15 to 5 then narrowly lost the second game 16 to 14. After this defeat the team came back ready to win and did exactly that with a score of 15 to 13. Before the season started practices were held and varsity volleyballers worked hard on improving their skills.

Lancer varsity coach, Cindy Currier commented, "I've been working with these girls since they were freshmen and it is great to see the improvement over the years. These girls pulled together and worked hard when the team needed it the most. They did a good job and proved this was the year of the Lancers!"

J.V. VOLLEYBALL SHOWED REAL TALENT

The future varsity players worked well together. When all seemed doomed the team had the spirit to shake it off, and go on to win the game.

With returning players, Captain Beth Ford and Sheryl Shawen the team was off to a good start. The new faces brought about a skillful season.

Coach Jeanie Calamar was proud of her team. The practices were held in the gym at 3:30 til 6:00. Many skills were developed then, and the training was tough. Working physically and mentally to insure a successful team.

"The girls worked really hard, and very well together," said Coach Jeanie Calamar. One of the new players Lynette Olivan said, "We got it together and went for it." All the players agreed, if it was not for Jeanie they could have never made it!

1. Typical Tennyson students. 2. Future Homemakers of America: Front row: Karen Kimnitz, Karen Souza. Back row: Dina Bargas, Chris Yosi, Mrs. Leslie Vilhauer, Mary Reyes. 3. Back row: Michael Zaballos, Mark Yin, Alfred Hernandez, Brian Durrett.

As the school year came to an end, many students were able to look back and recall many good times they had with their old friends and also with the people they had met during the year.

Many students had involved themselves in school events, which brought them closer to their classmates.

Spirit Week was a time where almost all students showed their spirit for the school by devoting long hours to prepare for the annual rally, hall decorating, floats, and the big football game.

Clubs and various activities that let students experience student life were: FHA, CSF, French Club, Student Government, Cheerleaders, Songgirls, High Riders, Low Riders, La Raza, Alumni Games, Dances, Big Sister-Little Sister Tea, Greek Orgy, Spirit Week, Powder Puff Game and etc.

The students that involved themselves in Tennyson's student life will be able to remember Tennyson in the years to come and not have a feeling of regret. The feeling of not having lived each minute to its fullest.

For the Seniors, all they have now are the memories. For the rest, they have another chance to live the student life.

student life

BETTER THAN EVER

Practice, confidence, dedication, and getting along are the key ingredients in measuring up to good spirit squads. Better than ever was used as the overall theme for both song girl and cheerleader squads.

U.S.A. Camp in Sacramento is held every year as sort of a get acquainted time for cheergirls everywhere. Both squads attended camp July 28-31 to show their spirit as a team. They received many excellent and superior ribbons, a spirit stick, and also a certificate of achievement. Omega Rally was another competition entered by both squads, held at the Neighborhood Church, October 24. Working hard during summer and throughout the school year, the girls sponsored carwashes, dances and various different sales. Two thousand, five hundred dollars had to be raised in order for the girls to attend the competition in Santa Monica, Ca., the Miss Drill Team U.S.A. Pageant. Five hundred additional dollars was paid by each girl for uniforms and other miscellaneous expenses through the year.

Time was an important dedication made by each girl to their squads as three hours per day were practiced during summer and school.

The squads advisors were Mrs. Mattos, Guy Andrade, Deverie Andrade, and Yvonne.

"Both groups are very together as a spirit squad, not as individual groups. People don't realize how much tense and hard work is involved," commented head song girl Karyn Johnson. Two year veteran Maria Mattos concluded, "Enthusiasm, a winning team and winning spirit squads are what it takes to get a crowd going."

EXECUTIVE COUNCIL DOES IT AGAIN

Once again, Executive Council organized most of the student body functions and approved all class and club activities.

This year's leaders were Mike King and Karyn Johnson in coalition as Presidents. Mark Yin served as Vice President. Secretary was Diana Lara. Treasurer was Jay Clare. Melinda Buss, our Historian.

Mike Zaballos and Bryan Durrett did a great job as Rally Commissioners. They were the organizers of this year's Spirit Week and Fall Rally.

Clubs, Calendars, and Publicity officers were Maria Mattos and

Phyllis Wong. They notified fellow students and faculty members of oncoming sports and other school activities with their talented sign painting.

David Tayco, who served as Athletic Commissioner, did a fantastic job with presenting us with this year's Sports Queen and King.

The Senior Class was lead by Alfred Hernandez. The Class President for the Juniors was Donna Sakata. Steve Bongard helped lead the Sophomore Class throughout the year.

Back row: Mr. Pinto, Advisor, Beverly Yee, Cliff Chin, Lucia Contreas, Bobby Kelley, Jay Clare, Gene Tang, Julie Umale, Adrian Gonzalez, Brian Moore, Tammy Lem, Lilly Tang and Jana Eager.

The CSF club stepped off to a great start this year, planning candy sales and car washes in order to finance trips to college campuses such as Berkeley and Stanford. CSF is the California Scholarship Federation and is an honor society for students with a GPA of 3.50 or higher.

This year's advisor was Mr. Pinto, who gave information, advice, and helped officers bring the club together. "There was a lot of enthusiasm in CSF this year, and I am glad we were so successful," said Mark Yin, President of the club. Fellow officers included Vice-President Alfred Hernandez, Secretary Jeanne Esser, and Treasurer Brian Moore.

SENIOR SYNDICATE SHOT THEM DOWN AGAIN

The Class of 1982 proved their abilities in this years Spirit Week. They were led by President Alfred Hernandez and Vice-President Steve Dimas. The highlight of Spirit Week was the Seniors float. It was as close as your going to get to seeing the real 1933 Cadillac.

With that final boost they came out winners, as planned. That was the Seniors second consecutive year for an overall win. Who could think of a better way to leave Tennyson.

2▲

6▲

EXCELLENT

performance by the Seniors girls pulled off an exciting show of athletic skill in the annual powder puff game.

Seniors were led by both quarterbacks Patricia Hurtado and Barbara Bower.

The winning touchdown was made by Barbara Bower, while the offensive line did a good job blocking. Patricia Hurtado ran in a 2 point conversion to make the winning score 8-0.

Sophomore Larry Wood and Senior Steve Dimas coached the seniors to a victory. "This years Senior Powder Puff team was good," commented Larry Wood, "In my eyes there wasn't a most

valuable player the whole team played great!"

Coaching the Juniors were Anthony Uchytel and Ray Magallanes. Both coaches commented, "We had plenty of talent, but we just couldn't get that talent to work together."

Even though they didn't score the juniors played a good game while being led by quarterback Michelle Yin. Both receivers Marioly Fiandor and Millie Rodriquez put forth great effort to bring their team close to a touchdown.

Over all, both teams put forth great sportsmanship and

JUNIOR DEVILS

"Though they came in fourth place the Juniors showed a lot of spirit and unity," Victor Vasquez commented. The Class of '83 wasn't as hot as they have been in the past few years. Cathie Pearson said, "I felt that our class lacks participation and enthusiasm to get the job done." Dawn Hernandez added, "I think that next year, if enough people get involved, we can win! But without every ones help we'll

never get first place." Julie Rosenbusch also added, "Only a few people dedicated their time to class meetings and decorations. It's just not possible for a few of us to stay up all night working on all of the posters and chains and then decorate the hall and then try to show all kinds of spirit the following day. If everyone got together and helped we could have won." John Farmer and Diana Lara showed great spirit as they rode the float displaying all the royalty of being Prince and Princess.

4▲

1▲

2▼

3▲

LANCER ROYALTY SHOWS CLASS

"I was honored and proud to be chosen Sports Queen," said Irene Clenney. She took the Royal ride along with Mike King as Sports King. First runner-ups were Mark Yin and Liz Talbert. Manuel "Pretty Boy" Manzo and Jeanie Esser Placed as Third runner-ups.

Riding with class as Senior Prince and Princess were Doug Henry and Vivian Comella. "It was fun," commented Doug Henry. For the Junior class "Devils" John Farmer and Diana Lara were chosen Prince and Princess. Just Joplin and Lea Cordova waved happily at the crowd as Sophomore Prince and Princess. Robert Bargas and Nicole Sibley were chosen as Freshman Prince and Princess.

THE A "PEELING" SOPHOMORE'S

This year the class of 84's theme was Sophomore's Go Bananas. The Sophomores could always be seen in a bunch, walking down the halls saying "Sophomores don't take no umph jive", during spirit week! They were up at 3:00 in the morning decorating the hall in yellow, black, and white. "Even though it was so early in the morning we still had a lot of fun," said sophomore Debbie King.

The sophomore's float was a gazebo with two giant bananas on the sides. It was spectacular!, and all their hard work paid off, as they

got third place for their float.

They had a lot of spirit and enthusiasm during the rally. The sophomore bananas didn't "split" their fourth place finish at the rally with any of the other classes. The sophomore Prince and Princess was Just Joplin and Leah Cordova. "Even though we only came in third place we still had a bunch of fun", said sophomore Inez Lourenco.

5▲

4▼

HALLOWEEN— HOMECOMING

The Halloween-Homecoming dance was a great success. The spirit week winners were announced along with the winners with the best Halloween costume. The winners of spirit week were fourth place: Juniors, third place: Sophomores, second place: Freshmen and first place with the Senior Syndicate.

The three best costume winners were Karyn Johnson, Carolyn Cola,

and Cheryl Kiyoi. Karyn was the favorite for her "Belly Dancer" costume!

The music was provided by a DJ who got everyone out there dancin'.

The dance helped the leadership class raise money for up-coming student activities.

5▲

6▲

7▼

SAFARI BAGGED A 2ND

Frank Luzaich, president of the Class of 85 and vice president David Sakata worked hard to get the spirit of the Freshmen Safari out into the open during spirit week. They worked their way to a second place finish over-all. Frank commented, "I was really proud of the class and the work they did, and I know we'll get 'em next year."

The Safari Prince Robert Bargas and Princess Nicole Sibley rode

to a third place finish on their float. For their sportsmanship and halls, they took third, and for the rally the Safari took second.

The office of Rally Commissioner was held by Mario Maya, the Treasurer was Terri Dembrowicz, and the Secretary was Brett Moreno, each of these officers along with the rest of the class all worked together and put on a great hunt for the spirit week.

1. Freshmen get together and stuff the "T". 2. Step into the spirit of the Safari. 3. Freshmen yell leaders get it together. 4. Prince Robert Bargas and Princess Nicole Sibley ride on their float. 5. Freshmen girls show their stuff at the football game. 6. Gathering together are the freshmen getting ready to become involved in the rally.

IT ALL

The Junior Class was Headed by President Donna Sakata, she was assisted by Vice President Tammy Lem, Secretary/Historian was Mary Reyes, Treasurer was the coalition of Cassandra Troutmen

and Julie Umale, and Rally Commissioners were Amber Garcia and Andrea Daniels. Together these officers led the Class of 1983 through the hard times this year.

The Sophomore Class was very active this year with the sales of coupon books and other fund raisers. The Class of 1984 was President Steve Bongard, assisting him was Vice President Dahlia Buss, Secretary/Historian was the coalition of Steve Jackson and Sheryl Shawn, Treasurer was Cliff Chin and Rally Commissioner was Mike Bronk.

The Freshmen Class was really well-organized this year as they came in second place in Spirit Week. The Class of 1985 was led by President Frank Luraich, Vice President was David Sasaki, Secretary was Brett Moreno and Rally Commissioner was Mario Maya and Treasurer Terry Dembrowiz.

1. John Torres burning rubber in his 71 baracuda. 2. DeeDee Smith's Z-28, Eddie Lourenco's Z-28, Mark Manausa's 71 formula parked in students parking lot. 3. WHAT IS A LOW RIDER

A lowrider is a culture and a beginning of Chicanos getting and identifying themselves with their cars. You don't have to be in a club to be a lowrider and you don't have to own a car. A lowrider is just the way you style.

A cool person that wears a Pendleton or T-shirt, sits low and listens to his tapes. Someone that is pretty mellow and takes pride in his ride.

A lowrider is a ride with small tires, a bad or nice paint job and crusin' low and proud.

But basically a lowrider is together and proud, not a regular person. You belong to something, you're somebody, you're a LOW-RIDER!

LA RAZA DE BRONCE

Orale Raza, the Tennyson High School students have always been proud of our Raza, pero que paso con our Raza this year. We would hate to see our Raza die. This year La Raza Club staff members have tried to do their best to get things going with the club pero the participation hasn't been at its best. So if you'd like to see our Raza growing you've got to participate more and get into the scene, for La Raza means being UNITED and PROUD.

A special thanks goes to Pilar Rios, who works in the College Motivation Center and who's helped us out as much as she has in the past.

We're very thankful to have her for the two special days out of the week she gives us, and other Tennyson High students. Also a special thanks to Jose Ovalle for all his help to the La Raza Club in the past.

We would like to thank very much the staff of the "La Raza de Bronce" Club: Pres., Rozanna Lomas; Vice Pres., Carmen Rodriguez; Secretaries, Angela Delgado y Julene Elisary; Treasurer, Sgt. at Arms, Lori Lopez.

Remember, keep our club going cause "La Raza" will never die.

RESPONSIBILITY FALLS ON LEGISLATIVE ASSEMBLY

This years Legislative Assembly was a gathering of elected representative of the student body. It was the representatives job to keep his homeroom informed of school functions. The representative also asked the class how they felt on school functions and how they felt they could be improved. Legislative Assembly was run by Vice-Presi-

dent Mark Yin and Secretary Diana Lara. It was the assembly's job as a whole to decide how the school is to run. Everyone felt that this years Legislative Assembly worked wonders for Tennyson High.

SENIORS STAGE "CLASSY" ORGY

Toga's, food, and Hayward High's humanities class could all be seen at this past year's Greek Orgy, held in F-wing on November 20, 1981

Students here prepared the food, decorations, and generally everything else having to do with the orgy while Steve Dimas, a true to life Greek, journeyed to Hayward High to invite their humanities class. The days were counted till the 20th. On THE day, as lunch started, cries of "orgy!" could be heard throughout the school as the seniors rushed over to F-wing.

The students danced, ate, competed in best legs contests for the men

and best arms contests for the women, flaunted their togas in a fashion show, tossed grapes into each other's mouths, and basically had a good time. The men even left their mark in Tennyson's history when they competed against the ladies in tug-of-war. The girls tied the rope to a tree, and the men practically uprooted the tree! The end result was a large rope burn around the circumference of the tree.

The festivities lasted until 3 p.m., at which time Hayward High had to take their leave, F-wing was cleaned up, and students went home to nurse the beginnings of colds some had received as a result of parading around in their togas all day.

THE POSSIBLE YEARS

This past years drama play was directed by Hank McDonnell. He and the students worked hard on getting the props set up and the rehearsals rolling. Everyone was running around getting their act together for the big night.

The play this year was titled "THE IMPOSSIBLE YEARS." The lead script was Mr. Kingley, played by Bobby Menezes who commented, "This was one of the best years, drama-wise, for Tennyson. Everyone pulled together to put on one of the funniest plays I ever had anything to do with. Too bad I won't be here next year to participate again . . . I'm gonna miss it."

Mr. McDonnell added, "THE IMPOSSIBLE YEARS had some impossible moments in trying to get it all together but, finally and happily it worked. It was a bright and entertaining show, acted with a good deal of expertise. Comic acting is not an easy job, and I felt my students did extremely well."

INTERACT GETS INVOLVED

Sponsoring the blood drive, building a roster board for the basketball team, and helping in the Walkathon were just a few of the many activities the Interact club was involved in. Interact is a club which is involved in community services such as the blood drive and Christmas caroling at convalescent hospitals. "Interact does a lot to help the school and the community, and a lot of hard work is put in to the club", said Alfred Hernandez, a member of the club.

Tanya Anderson was the president of the club, and she led them through a very successful year. Their advisor was Mr. Jack Kendall, who expressed his view. "Interact is made up of a group of hard-working students who are, for the most part, Seniors. I would like to see more underclassmen involved in the club. Interact does a lot for the school and the community, and I'd hate to see it dissolve".

1. Mr. Kendall helps Jim Boyd with some information. 2. Tanya Anderson prepares to call a meeting to order. 3. Interact members (back row) Kelly Bacon, Brian Moore, Jim Boyd, Bobby Kelly, (front) Alfred Hernandez, Susan Hansen, Mary Kulesza, Tanya Anderson, Bobby Nakamoto, Michele Yin, Chris Orrey, Mike King, Isabel Molina, Mr. Kendall.

SENIORS ENTERTAIN FRESHMEN

Twelve days of school was one of the skits at the Big Sister Tea on September 26 at 3:30 in the cafeteria. Other skits were "Hard Knock Life", "Franks Restaurant", "Plant Life", "The Spider", and "Lucy Lubner". Mr. Dan Morrison, director of activities, presented a slide show on seniors and freshman alike, to end the Tea. Each year the Tea is presented to the freshmen by the seniors to bring the freshmen to know this school and the people in it better.

In between skits, freshman and seniors had a chance to talk. Refreshments were served by the Future Homemakers of America.

MAKE IT IN F.H.A.

The F.H.A. provided opportunities for self-development and preparation for family and community living and for employment and: To strengthen the function of the family as the basic unit of society. To encourage democracy through cooperative action in the home and community. To encourage individual and group involvement in helping achieve worldwide brotherhood. To institute programs promoting greater understanding between youth and adults. To provide opportunities for decision making and for assuming responsi-

bility. To become aware of the multiple roles of men and women in today's society. To develop interest in home economics, home economics careers, and related occupations. This year officers were President Mary Reyes, Vice President Lynette Olivan, Secretary Kathy Fagalde, Felicia Bottom, Treasurer Julie Umale, Historian Albino Flores, Parliamentarian Obiel Leyva, Recreation Chairperson Leah Cordova, Reporter Octavia Ivy.

As the Fall season came to an end, the Winter Sports were soon to follow.

Afternoon and evening practices were held to shape our outstanding Boys and Girls Basketball, Soccer, and Wrestling teams. Mark Yin, Senior Fullback on the Soccer team, said, "We knew that we had to work hard this year to make it to the play-offs, and so we pulled together as a team, and had fun." Each team's time and hard work paid off, as the players gave us an exciting, action packed Winter season, filled with many well earned victories. "Our main goal was to make the play-offs," commented Senior Forward on Girls Varsity Basketball, Irene Clenney. Junior, Dave Edwards, added, "Winter Sports are great. I don't know what we would do without them."

WINTER SPORTS

LANCER LADIES ADD ZIP TO THEIR ZOOM

Under the direction of Coach Mike Pinto, the Lancer Basketball Ladies started off their season on the right track, winning six of twelve pre-season games.

The Ladies took fourth place in their annual McKinley-Ville Panther Classic tournament, in which they traveled north to Humboldt County and won their first game in three years.

Going into the league season, the Lancers were forecasted by the Daily Review to place third in league.

A close rapport between coach and team made the season successful and happy.

Said second year player Marioly Fiandor, "We have a very good relationship with Mr. Pinto. He doesn't tell us what to do, he shows us."

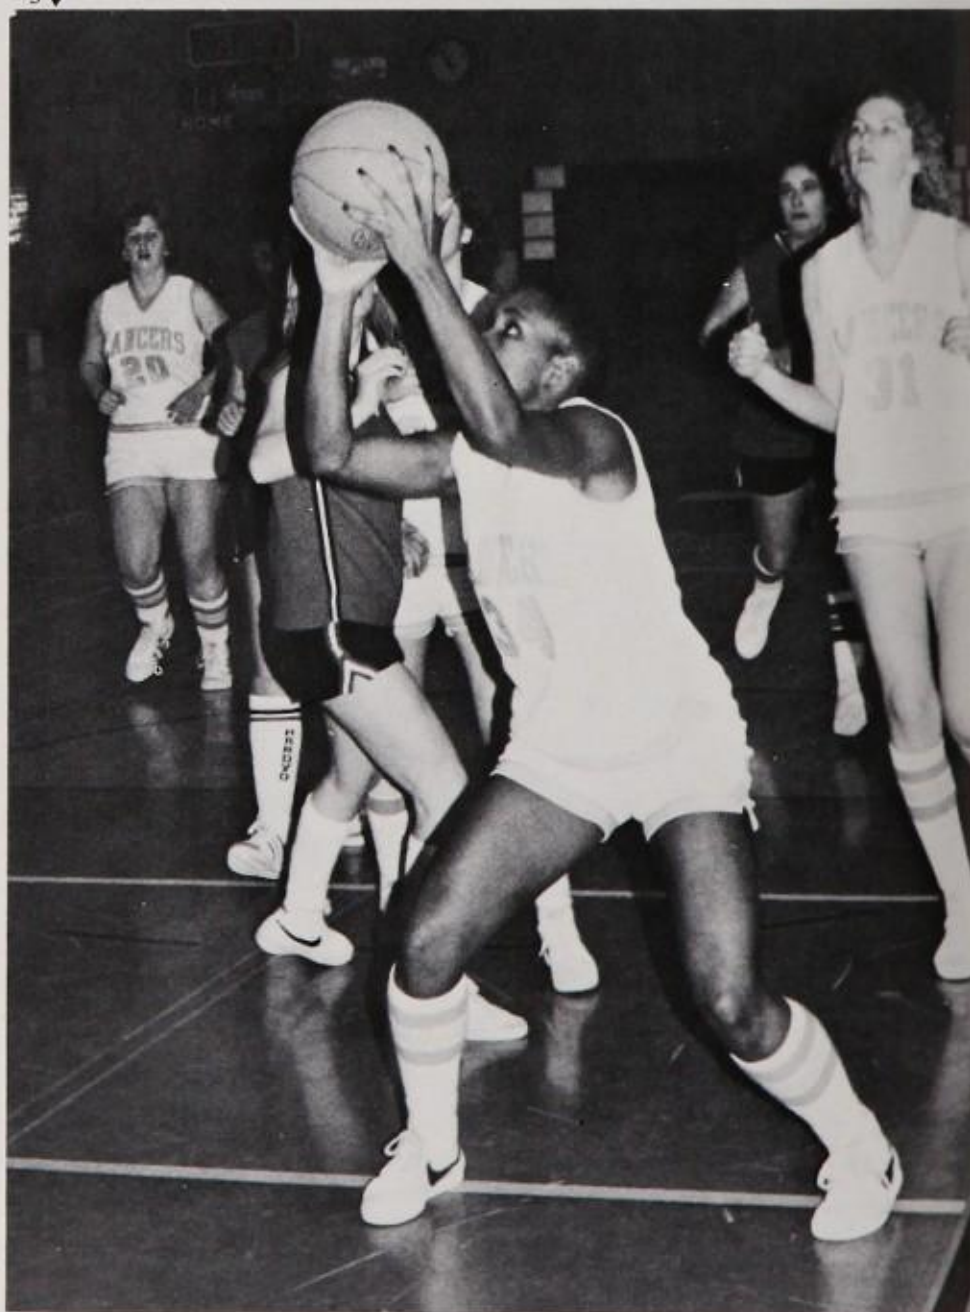

Added Darlene Martin, "The relationships between coach and player is a good one, he goes farther than just coaching, he's a friend."

Summed up Michele Yin, "We had a really great team this year. Even though we had most of the same people as we did last season, we played more as a unit and balanced our scoring. Our strength, I think, was our defense."

LANCERS J.V. STRIVE TO WIN

Jr. Varsity helps to prepare many of our future varsity players. They get to experience many of the same things they'll experience on Varsity. The players learn that co-operation and togetherness are important factors for a winning team.

This year, we had a very successful team. Though there were some heart-breaking losses along with the injuries of some valuable players, it was an important season filled with new experiences.

Team member, Cambi King, commented, "I think everyone learned a lot this year. We all got along really well and that enabled us to have a much more unified team."

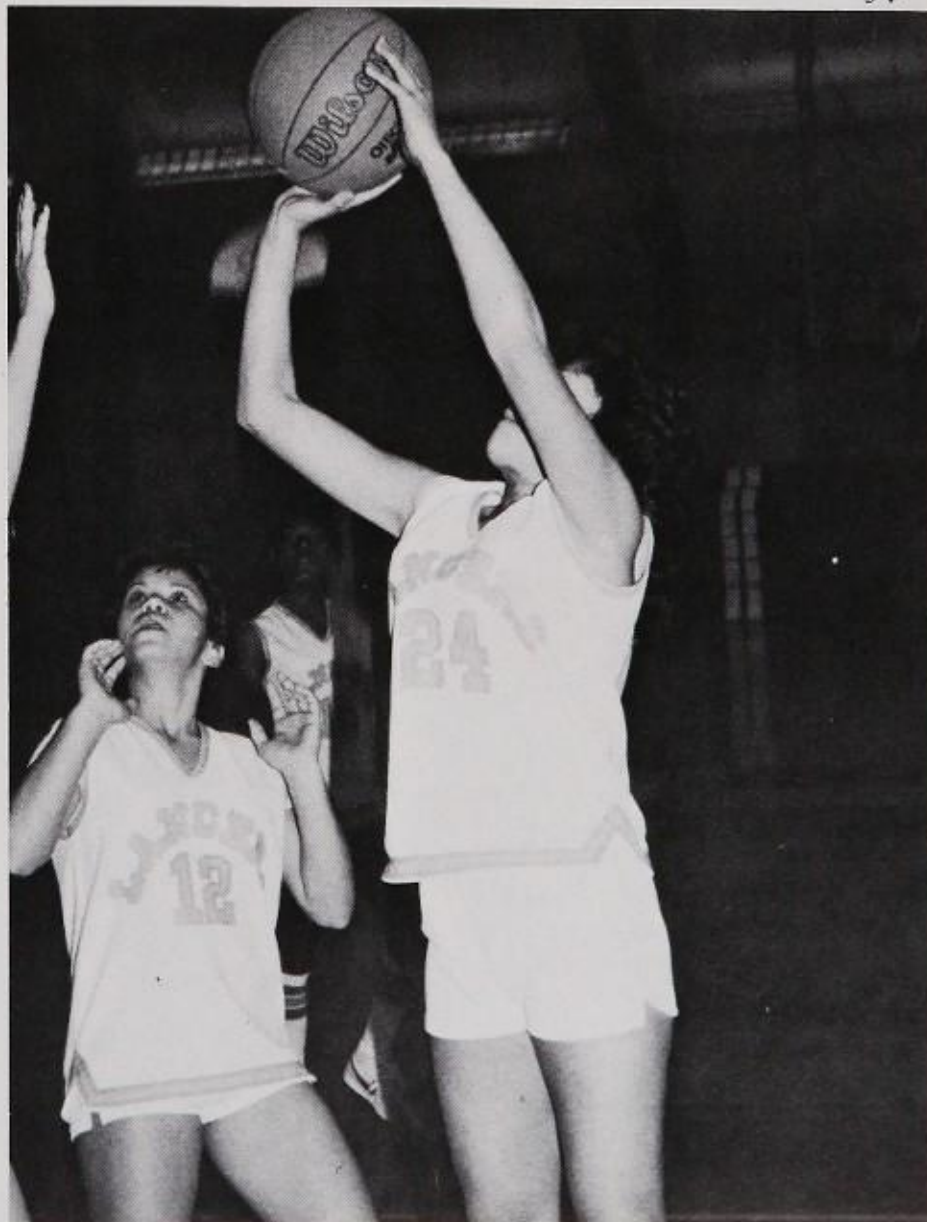

There were some very promising new talents on this year's team and we'll probably be seeing quite a few of them on Varsity next year!

1. Tennyson's outstanding J.V. basketball team is shown here. Cambi King, Denyne Lyons, Teresa Bettencourt, Alisa Becerra, Coach Jeanne Calamar, Beth Ford, Lisa Gimeno, Bennerita Martinez, and Milette Rodriguez. 2. 5▲ 6▼

FIGHTING FOR VICTORY

The 1981-82 soccer team learned one thing this year, if the team was going to win it would be a fight to the finish on the soccer field to see who would claim the victory. Although the teams ranking in league play was not of the highest nature, opposing teams could count on a tough game if they were to face the Lancer squad.

With Juan Fiandor at middle forward, Emanuel Pacheco, Reshpal Singh, Hong Sun Kim, and Arturo Villasenor as half backs, and full backs Angle Manjuar, Adrian Gonzales, and Mark Yin the team had some of the best individual talent it has seen in years. The question is if these players can pull together as a team. This is one of the many tests the team faced during the season.

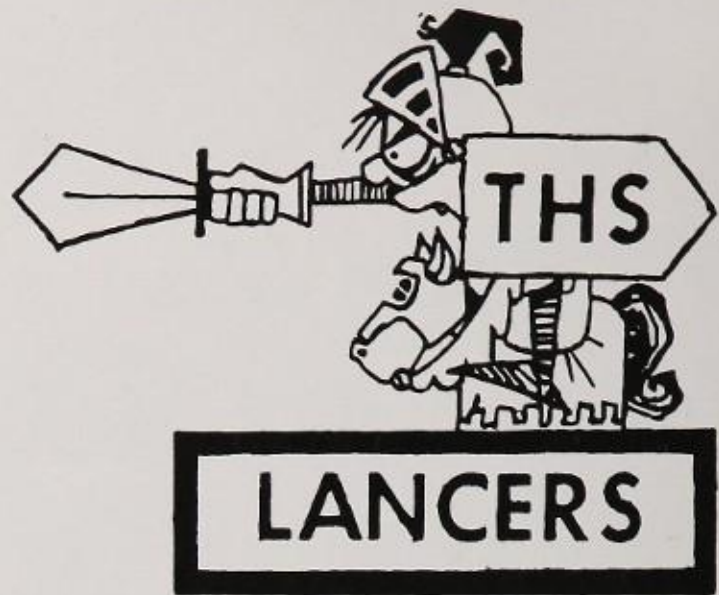

One more positive note was the goalie position, with no returning goalie coach Victor Serrano turned to Brian Moore and Peter Westerfield to solve this problem. With neither of them having any soccer experience they both combined their efforts to share this position and both do a good job while playing it.

7▶

STARTERS AND STATS

Head Coach Victor Serrano

Soccer Stats: Phillis Wong, Ellen Nagasawa, Gina Taylor, Mary Kulesza, Susan Hanson, and Luna Argentina.

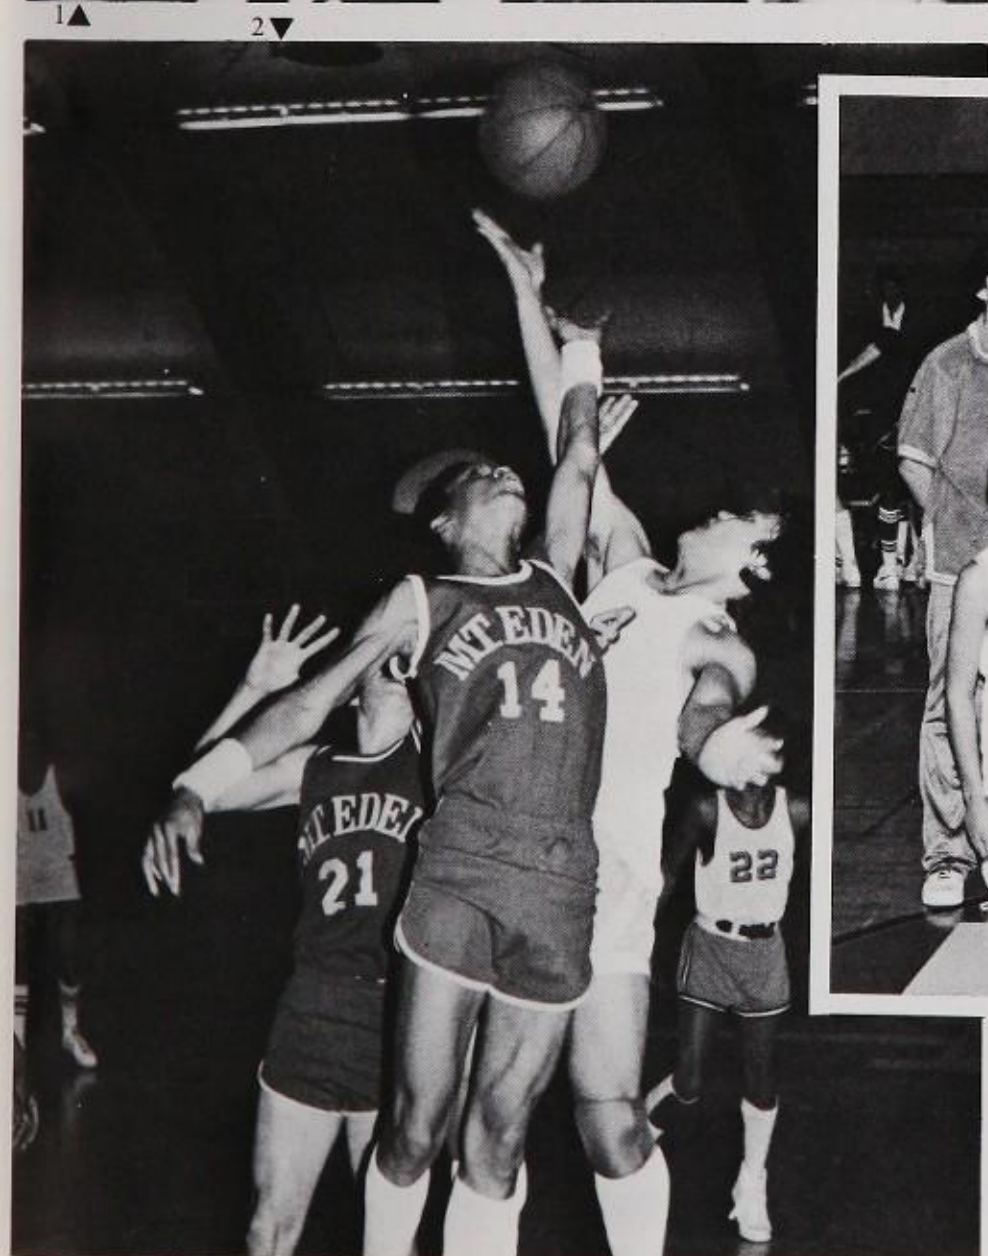

First row: Brian Moore, Peter Westerfield, David Gyory Second row: Onkar Dhillon, Lionel Pacheco, Duane Sablan, Juan Cabrera, Jay Clare, Ernie Anderson, Paul Furtado, Ernesto Rosas Third Row: David Tacyo, Reshpal Singh, Mark Yin, Adrian Gonzales, Alex Plotitsa, Emanuel Pacheco, Juan Fiandor, Hong Sun Kim, Artro Villasenor, James Miranda, Angle Manjiuar, Ronaaldo Eijan.

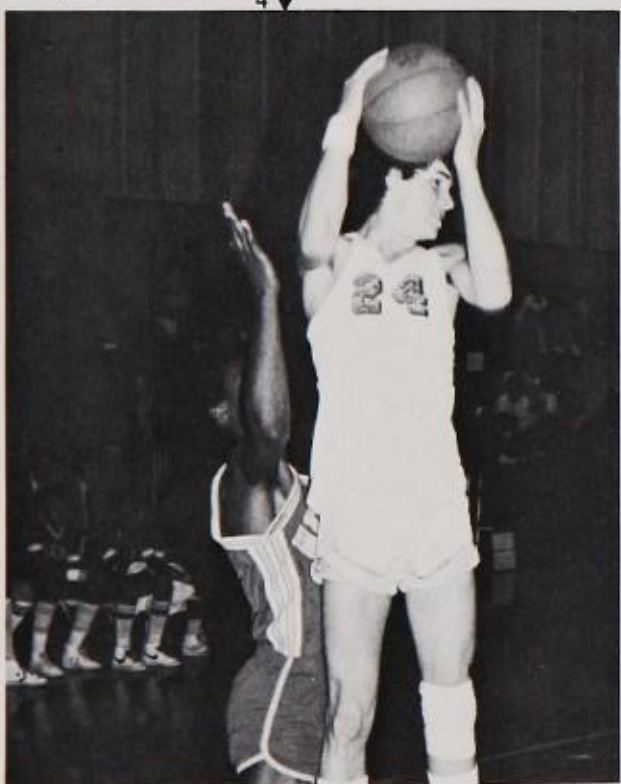

YOUNG 'UNS SHOW STRENGTH

The 1982 Frosh-Soph Basketball team was very successful and were at the top of the standings almost all year. Coach Sam Richardson, in just his second year of coaching has displayed great ability to work with the young players and developed their skills on the court and in the classroom. His teams, over the past two years, have been a well disciplined and competitive unit. Zedrick Scott commented, "If it wasn't for Coach Richardson and his demanding tactics of strategy we would probably not have done as well as we had."

1. Lee Wilbright jumps for the rebound. 2. Eric King goes up for a rebound. 3. Top left: Dino Torres, Robert Topete, Randle Cook, Lee Wilbright, Kevin Leung, and Paul Villegas. Bottom left: Matt Dorado, Zedrick Scott, Dana Tayco, Craig Velasquez, Eric King.

3▲

6▼

Dedication, Hustle, and Attitude, that's what Coach Cedell Clayton demands from his Junior Varsity Basketballers. "Every player must come to practice everyday and give 100% if they wanted to play in the up coming games," replied Coach Clayton. The main objective of this team was to get the younger players ready for their future up at the Varsity level. The team was lead by Sophomore Steve Jackson. "He was the difference for us this year," Clayton commented. Another outstanding player was Sophomore guard John Lambert. Altogether the 1981-82 J.V. Basketball makes the Varsity's future very bright.

7▼

VARSITY CAGERS TAKE IT TO THE HOOP

Wins! That's the difference between this year's Varsity Basketball team and last year's team. "It was a totally different attitude," said Coach John Goulding. This year's team is twice as good as last year's," commented Junior guard Charles Bonney, "the good thing is that we have six players returning next year, including four starters."

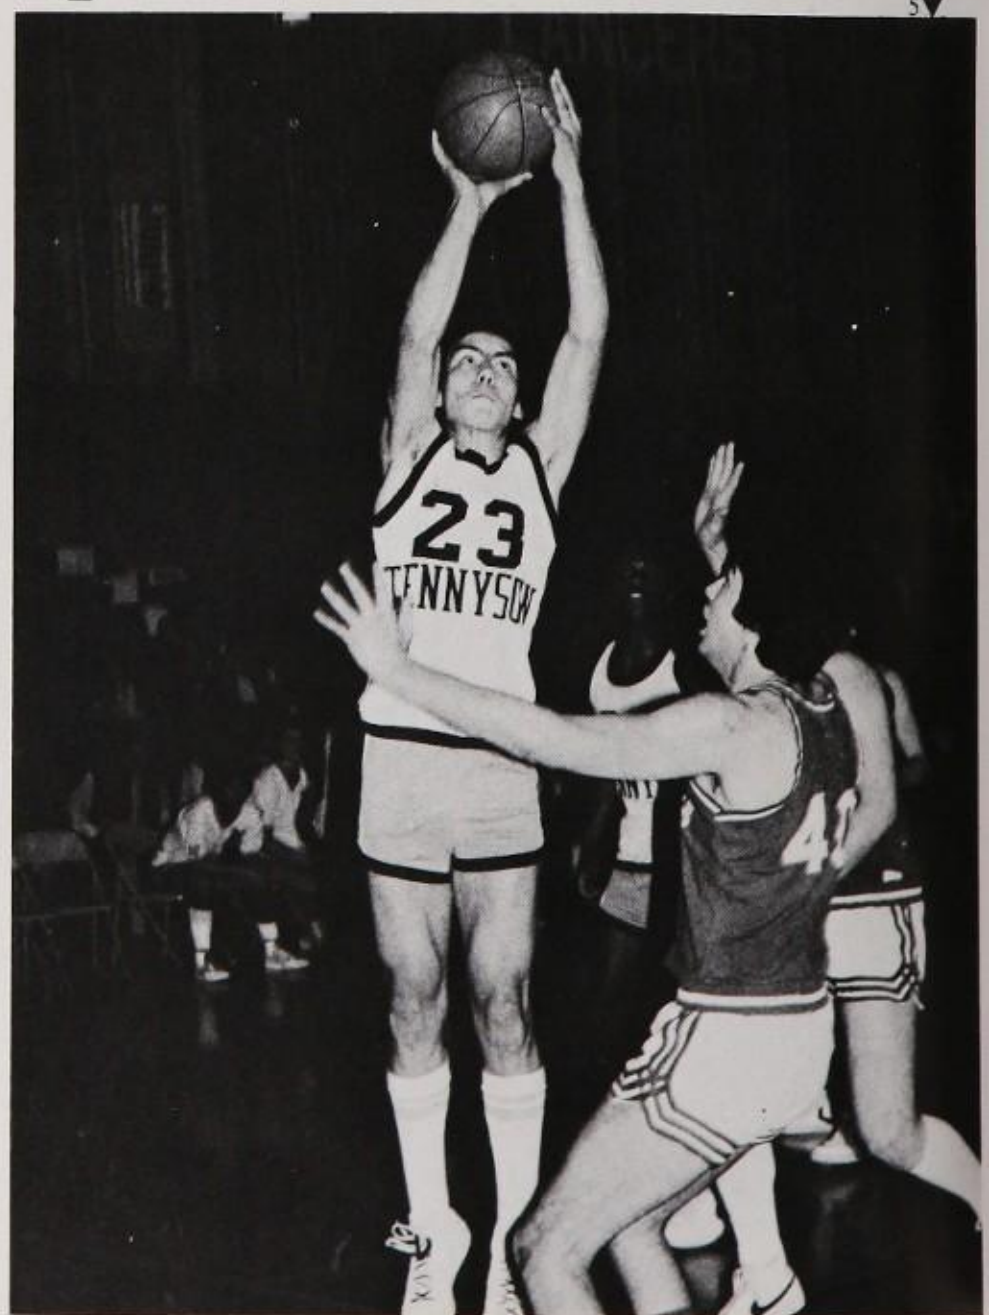

"Team play was the major role played in the team's success," Senior forward Doug Henry replied. "It really feels good to win some games," said the sharp shooting guard Joey Scheid. Rick Gase commented, "It's been a fun year because we are winning some games and every player gets to play. It's a total team effort." The Lancers were led by high scoring Senior Doug Henry at one forward and Junior Herreria at the other forward spot. The starting guards were Senior Joey Scheid, Junior Charles Bonney. Junior Paul Melker rounded out the starting line up at the Center Position. Coming strong off the bench was Senior guard Mike King and Junior guard-forward Rick Gase. Rounding out the Varsity team was Senior guard Ronald Kinerman, Sophomore forward Charles Walker, and Junior Lee Gates who contributed alot to this years team success.

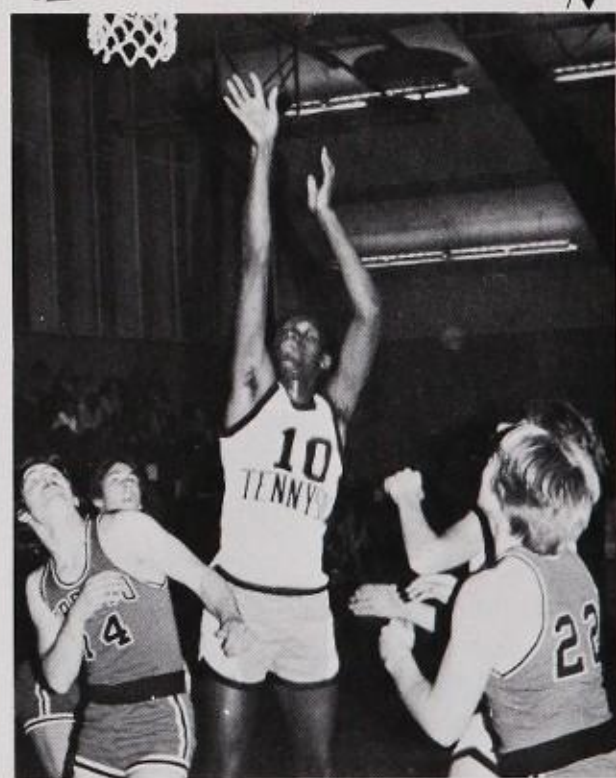

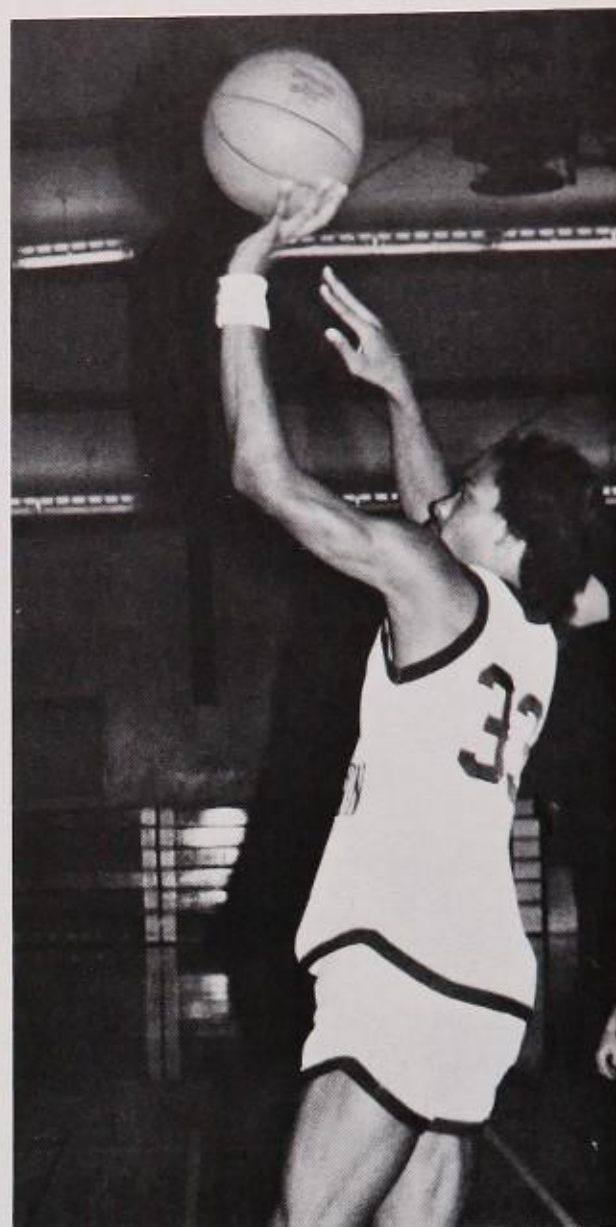

Coach Goulding commented, "I was able to substitute freely without hurting the team any. Our team was at least eight men deep talent wise. This factor helped the Lancers cause in there strive for the 'playoffs.'"

MAT MEN LACKED MEN

This year's Wrestling team was very small with only eight people on the team, however, they gave it their best shot at all their wrestling meets.

The Castro Valley International Meet was the first meet of the year in which two of our veteran wrestlers, Matt Simas and Kevin Moore placed third and fifth at the meet. "I think that the team would have been much better if more of the people would have

came to practice" said, Captain Matt Simas

"The team we had this year is ok. If we all would have tried to win but I don't think we could have been as good as I thought, and that is what hurt the team. Wrestling isn't a part time sport, it is a sport that takes dedication in order to become successful," said Junior Jerry Wood.

2▲

0

Throughout the year, students tried harder than ever before to achieve the highest standards in academics. They were also able to enjoy many new and exciting activities that were being carried on in their classes, such as Humanities' annual Greek Orgy, and the French Club's banquet featuring exquisite French Food. All in all, the year was filled with many enjoyable memories of the classes and the things that were learned that will be carried on in our lifetimes.

ACADEMICS

ADMINISTRATION—LEAD

Gordon Pipkin, Principal

There have been many cutbacks in public schools over the past couple of years such as: teachers, a variety of classes, driver's education and training classes, counselors, and maintenance work. But this does not cutback on the excellent work our administrators and counselors put forth, to guide us in better directions for our future.

Irene Martin, Vice Principal, was new to our school this year. Her dedication to her job and her warm smile shows she will be around for many years to come.

"The 1981-82 school year has been a good one for all of us at Tennyson High. The Aegis has again been effective in recording the events of the year to help us remember the good times. Congratulations to the class of '82. I wish the very best in all that you do." Principal Gordon Pipkin stated with a smile.

SPECIAL PEOPLE WITH SPECIAL TALENT

Governor Tootle
Director of Finance

Dan Morrison
Director of Activities

Peggy Fekete
REACH Director

Don Baken
OWE Director

These people could almost be called workaholics. The number of hours they put in at the school and on the job were enormous. Mr. Tootle has worked as Finance Director for years. He handled all money for the Student Body, which included Student Body Cards, Student Store, gate receipts, all club's fund raisers, plays, and special fund raisers. He paid all bills incurred by clubs and the Student Body. Mr. Morrison has been Activity Director for the last seven years. His job has been one which required his presence at all activities. He organized Student Council, Legislative Assembly, many fund raisers, and all Senior Class activities: Disneyland, picnic, Senior Ball, Graduation, Breakfast, etc., etc. Mrs. Fekete had the responsibility of making sure all students were able to REACH the graduation requirements. Mr. Baken was the person the students went to see if they needed a job. All students could get credit for working if they followed the guidelines set up by Mr. Baken.

MATH WIZARDS

Only one year of math studies was required for graduation. Because of that, the enrollment in math classes has steadily gone down through the years. This years enrollment was approximately 661 students. Mr. Brown had one main math wizard in his advanced math class, Jay Clare.

Special classes were provided for students who needed to improve their skills in order to pass the REACH test.

Mr. Brown stated, "Math is the key to science and this is the age of science—learn your math!"

SCIENTIFIC DISCOVERIES

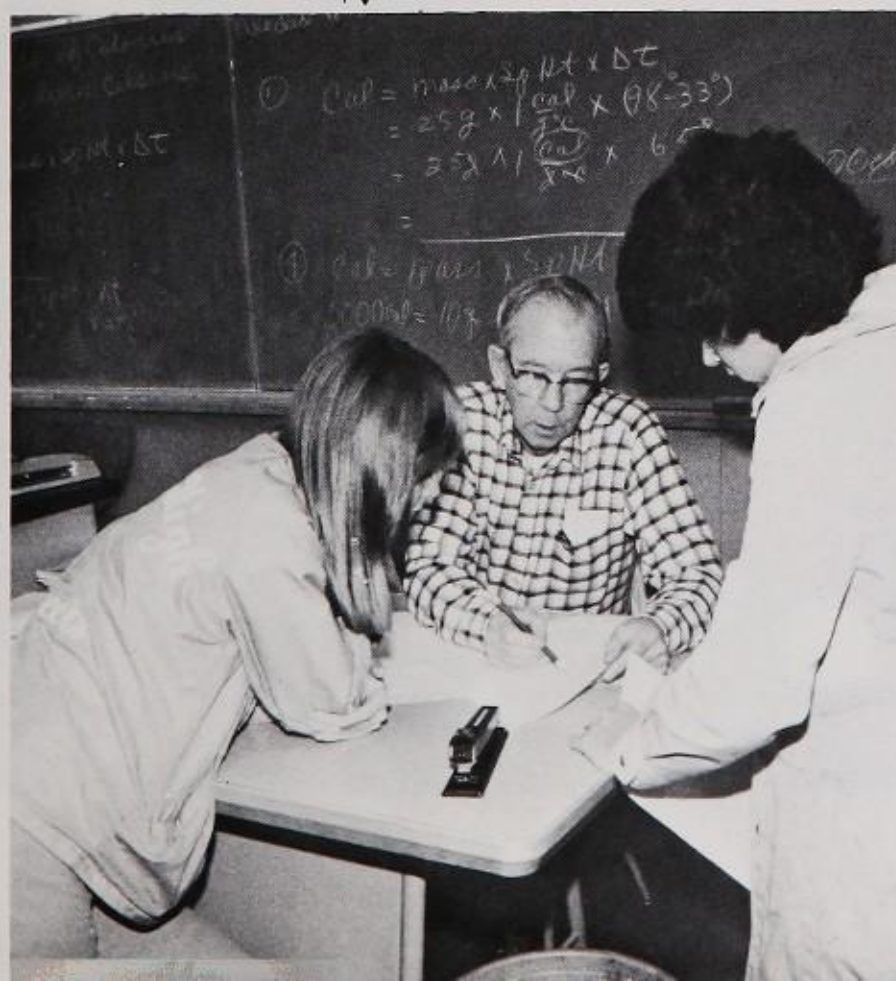

5▲

6▼

7▼

Learning to use atomic numbers and how to dissect frogs and earthworms were some of the many events that took place in the science classes.

In C-6 students learned how to mix various chemicals together to create different formulas. Sometimes these formulas had smelly results. Labs were done throughout the year. "I looked forward to the lab experiments," commented Dawn Hernandez. "Although the work sometimes gets hard," commented Cathie Pearson, "I know that I will benefit from it."

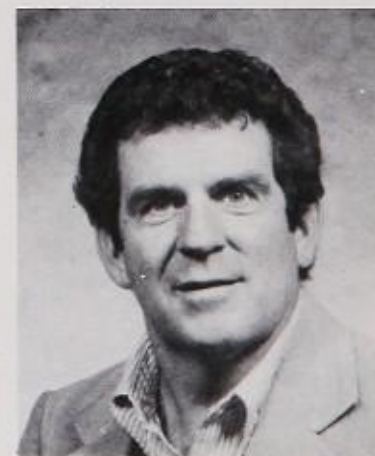

Biology classes learned how to dissect frogs and investigated how genetic traits are transmitted from parents to offspring. Microscopes were used to determine the difference between A and B blood types. Students found that they could depend on the microscopes to help lead them to scientific discoveries.

English is needed for every human who lives in the U.S. to be informed and to communicate with others. For the last couple of years teachers have been stressing the basics of reading and writing, which these abilities are needed by each student to graduate, from Tennyson High School.

Mrs. Frances Gibson commented, "English is the central subject we teach here. If students learn to communicate well, and how to use the library so they can always find what they need to know, they have the tools to become educated."

Humanities teacher, Dan Morrison, was also quoted as saying, "You don't appreciate your language until you go to a foreign country, and you want to be understood. English should be important to us because it is a tool that can open doors and create relationships. We use it to express our feelings and our dreams. Sometimes we use it to hurt others. English is the bridge that helps me teach you all."

LET THERE BE HISTORY . . .

Four score and seven years ago, the great Lancer in the sky said, "Let there be history." And there was. But to keep history from being boring he created U.S. History, Comp. History, Guidance and Health. But this wasn't enough so he created American Government with family living, psychology, criminal justice and political science. Yet history doesn't teach itself so the great Lancer asked for the best teachers in the universe and sent them down to earth to teach the best subject in the world, "HISTORY!"

Mr. Pinto commented about one of these subjects, Government, and he said, "The study of the structure, institutions and operation of how we govern ourselves." He added, "The acquiring of knowledge of how our government is structured and operates is one of the most important tasks confronting a high school student. Directly and indirectly, our lives and our environment are effected by the actions of government at all levels, federal, state and local."

The great Lancer did a great deed to the world when he created history, and the Social Studies teachers go through alot of work to teach students. And most of the students may not become President but at least they learn a little about History and Government. Mr. Pinto's closing lines were "The sad things are when students make mistakes, but the funny things are when I make mistakes."

MEETING DEADLINES IN PUBLICATIONS

5▲

6▼

7▼

Writing copy and cropping pictures were some of the things you could see if you went to second period publications class this year. The class did very well considering there were only six second year students and the rest were first year.

Carolyn Cola, Editor, Peter Westerfield, Co-Editor and Mr. Tootle, Advisor proved to be most helpful in preparing the yearbook.

At the beginning of the school year the class went to a yearbook conference held at California State College at Hayward. We learned how to draw layouts, write copy and crop pictures.

Senior pictures were in color this year along with many other sections. "The 1981-82 class got along very good this year and had a lot of fun" said Mr. Tootle.

LANCER LEGEND KEEPS THE PRESSES ROLLING

With a lot of help from ads from merchants, the Lancer Legend was able to have another successful year. This years Editor was Josie Miranda, with a lot of help from her Co-Editor Robert Murray, and advisor Mrs. Frances Gibson. This year brought many changes for the Lancer Legend Staff. Usually there were two periods of Journalism, fourth period and sixth period, but this year there was only fourth period. Working together the Staff was able to get the job done. The Lancer Legend was published every three weeks with four pages of news about Tennyson High and many other things going on around the world. Later on in the year the Lancer Legend was put out with eight pages instead of four, to end a successful year.

TYPING AWAAAAY.

"I like typing but I'd rather be smoking!" puffed Jaime Orr.

Typing was only one of the many Business Ed classes offered this year. Recordkeeping, shorthand, accounting, business English, and office occupational lab were also offered.

Record keeping took the place of general business. Filing, alphabetizing, and budgeting are the main class requirements.

Office Occupational Lab, ran just like an office. Students work at their own speed on typing, ditto machines, and individual assignments. Extra credit is earned by doing a spelling and punctuation book. Once a week a test is taken on the opposite spellings of business words.

INTERNATIONAL TONGUES

Escargots, eclairs and quiche served at the banquet, and a Christmas play were just some of the activities highlighting the foreign language classes.

There were two new additions to the foreign language department this year. George Khoury, who taught Spanish, and Jose Ovalle, who has been at Tennyson for many years as the Mexican-American counselor, taught beginning and advanced Spanish.

There was a decline in sign-ups for the German classes, so a class was offered at Moreau High. Mrs. Wolff commented, "I hope to build up the language program because the world is getting smaller and there's a need for communication with the other people in the world."

CORE—THE CENTER OF ATTENTION

Core is a program that teaches students basic skills in math, English and social studies. These classes were developed for students who are two or more years below reading grade level.

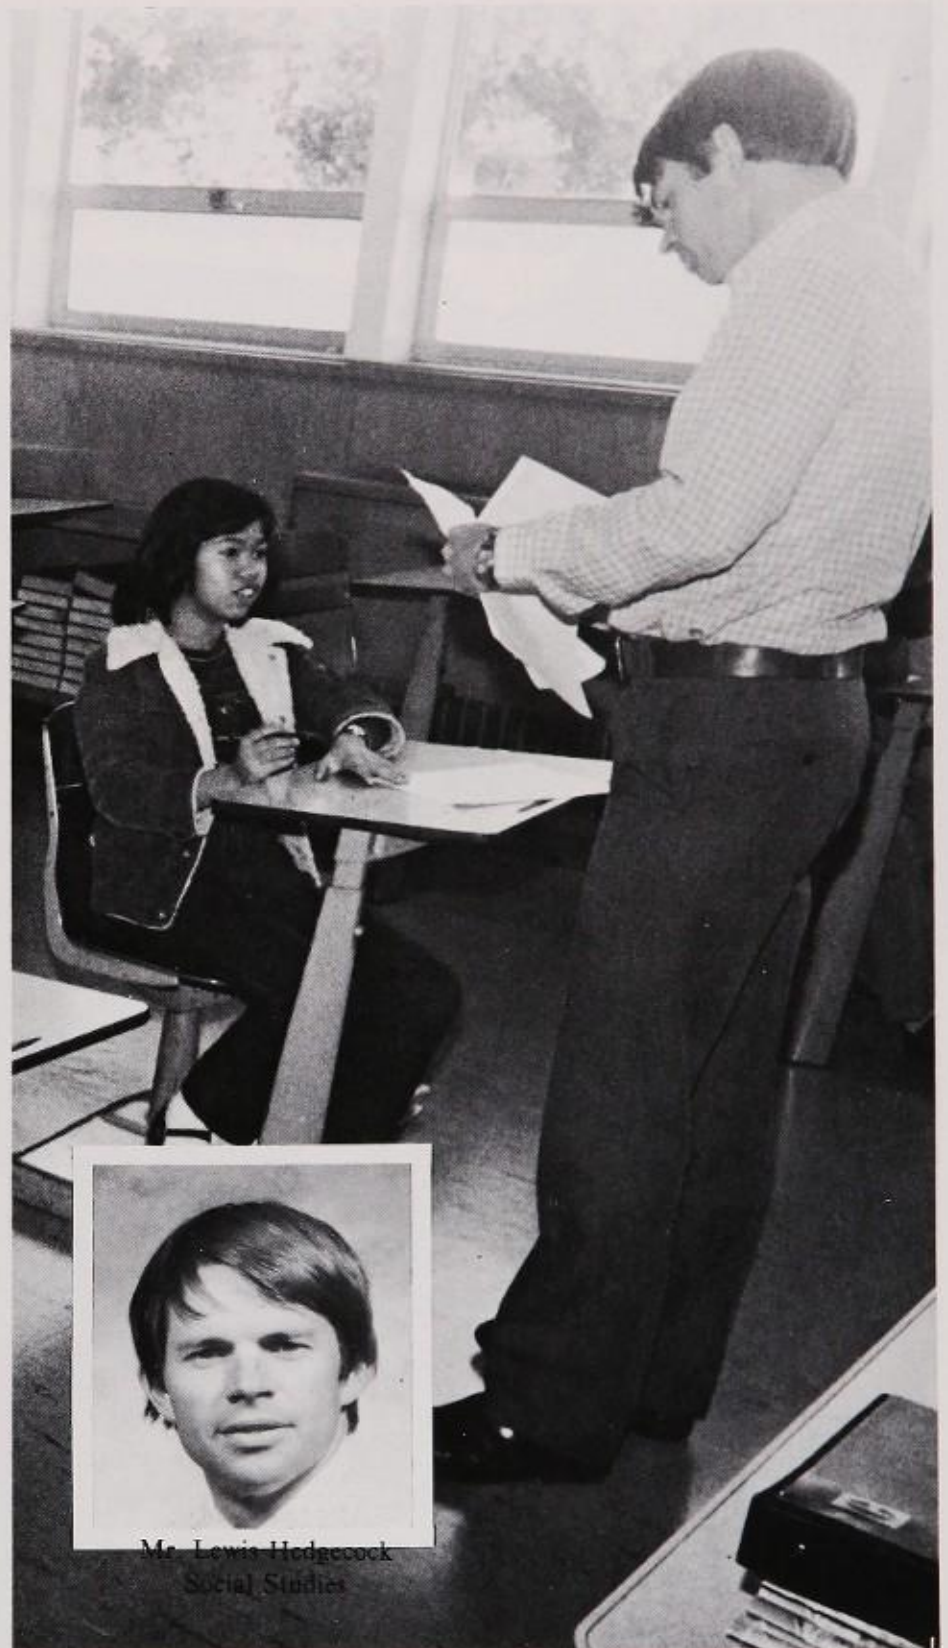

Mr. Hedgecock commented, "One of the best things about being a Core teacher is seeing students succeed in regular classes after they

leave Core."

Core is an essential program and it will help many students to a better future. Thanks to teachers; Mr. Lew Hedgecock, Ms. Julia Film, and Ms. Jackie Cote Tennyson has been able to make Core possible.

GOOD FEELINGS FOR SPECIAL ED STUDENTS

4▲

Bernard Medenos
Special Ed.

Laura Criscione
Special Ed

Working in an individualized atmosphere was the base for success in the Special Education Department. Visual aid projectors, language masters, cassette recorders and games for perception were all steps to bettering their education.

Vocational Skills were a very high objective for the Special Education Department. Ms. Criscione worked with each student and tried to give the students the tools to be productive people in society. The teachers also emphasized self esteem. Feeling good about ones self is an important goal in the department.

"LET'S GET PHYSI- CAL"

was the name of the game in Physical Education classes here at Tennyson where both boys and girls participated in various exercises such as jumping jacks, sit-ups, push ups, and other various exercise, But P.E. wasn't just exercises, students participated in various sports also, such as Softball, football, soccer, weight training, volleyball, trampolining, basketball, swimming, golf, badminton, tennis, racquetball and square dancing and still more! I look forward to P.E. because it is the time when you can get out and have fun!" said junior Mike Colon.

This year they have started a new policy, it states that if you do not dress for P.E. and are not excused you had to come to detention at 7:40 a.m. the next morning. According to Mr. R. Stark, he thought that this was one of the reasons that there was a larger participation in P.E. this year. "P.E. is the greatest class in the world, because what is more important than your health!" said Mr. Norm Prince.

INDUSTRIAL ARTS

The Industrial Art classes were very important classes here at Tennyson High. These classes which include woodwork, auto mechanics, metal, mechanical drawing and electricity help teach students how to work with tools and their hands safely and accurately. These classes help students develop skills that may help them in the future. One of the most talented students is Randy Coursey. He has advanced woodshop. Bill Well's said, "Randy brings furniture out of woodshop like it was a furniture factory. Some of Don Edwards, Dion Washington, and Mike Riviera projects were jewelry boxes, waterskis, cabinets and even a grandfather clock.

In auto shop students work long and hard before they can even touch a car. Yes, there was a lot of bookwork to do before they can get to work. This class was very worthwhile, it could save students a great deal of time and money, because they know how to take care of their cars. Some excellent students in this class were John Vilche, Tim Cunningham and Anthony Uchytel, Neil McClusky and David Benavidez. All of these students worked very hard to learn a skill and it has paid off in all the fine work they have accomplished.

ART TALENTS

Art has always been a popular class for students. Some of the projects this year included shading, drawing skills, and weaving.

Ms. Greene had a humorous comment, "It's nice to know that no matter how sleepy I might be in the morning . . . my second period Art 1&2 class will ALWAYS WAKE ME UP!"

Ms. Greene's fourth period class is quite talented. These students worked on independent projects of their choice. Outstanding students include: Wyman Choy, Cheryl Kiyoi, Mendy Wilson, Veronica Vasquez, and Hien Van Nguyen.

When Mr. Bergloff was asked about outstanding students in his class he replied "I don't have time to comment on that right now."

THE LIBRARY READS ON

Opening at 7:30 Tennysons librarians are ready to check out books. The head librarian Judy Harrison and the library clerk Arline Higgs work together as a team through out the day. The library had many different books from all different people. Jokes, drama, horror and many more were there. Almost 100 books were checked out each day. Some of the helpers were, Kathy Johnson, Sherri Madrid, Bridget Cunningham, Nora Cabrera, Susan Hammerich, Lily Tang, George Henry, Amber Garcia, Leilani Hosino, Robert Merhley.

Some of the students go to the library at lunch. Mark Wood said, "I think the library is a great place to cut class and go study for other classes."

Miguel Johnson commented that he didn't like the way you have a pass to get into the library at lunch time.

MUSIC RINGS AT TENNYSON

Tennyson's bands stepped off to a great start this year with the addition of the Orchestra. The class, held during third period, was started by Mr. Gallardo. "This is the first time in years that we have had an orchestra, and the students are doing a terrific job," he commented on their success.

Also hitting the scales were the Concert, Symphonic, and Jazz bands. The Concert band is the talent-filled stepping stone to the Symphonic and hopefully, the Jazz band, whose members are some of the best musicians at school.

Assisting Mr. Gallardo in the success of the bands was student-teacher, Tom Jones. Mr. Jones finds working here at Tennyson with a great band very exciting and helpful, as he hopes to someday be a teacher in the music field.

Mr. Gallardo also taught a guitar class in addition to the bands, and they all worked very hard to bring music to Tennyson.

MANY CRAFTS LEARNED IN HOME EC

Delicious aromas of foreign and domestic foods linger through "C" hall daily as the Home Economics classes tested their abilities in the kitchen. Mrs. Vilhauer, Mr. Armstrong, and Mrs. Blazic taught not only cooking but, other skills such as macrame, latch hook rugs and calligraphy.

The class was excellent, because it prepared the students for living on their own. Boys and girls alike enjoyed the experience of a finished sewing product or a decorative macramed plant hanger.

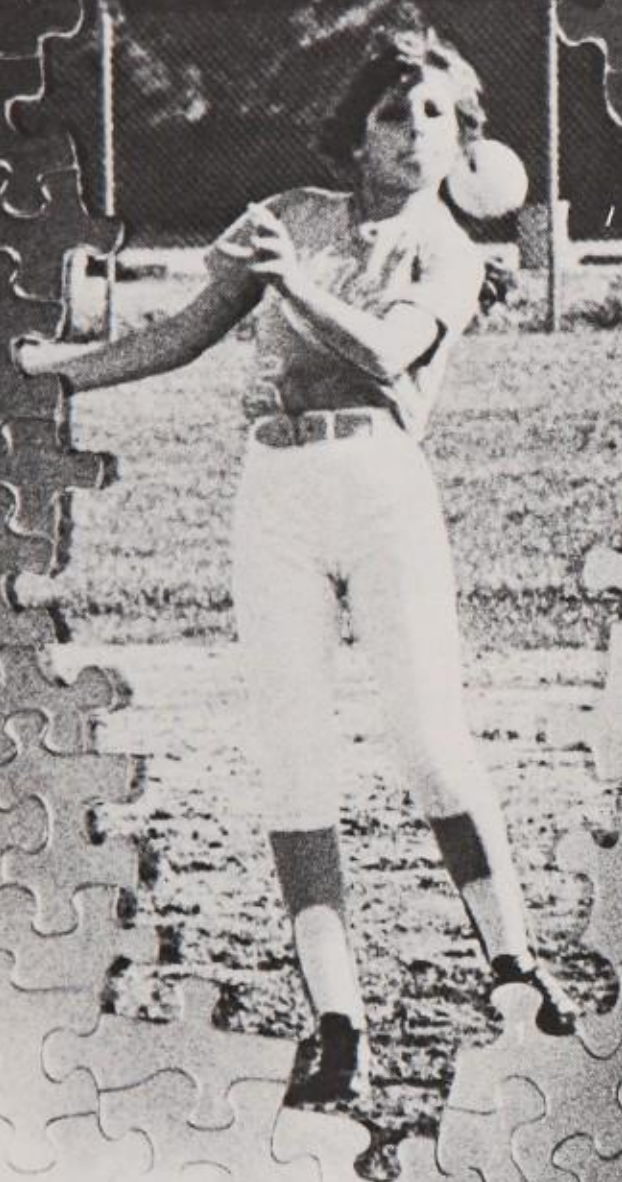

Mrs. Vilhauer taught "Living On Your Own." The class did such assignments as bank book, interior design, and cooking.

When asked the question, What do you think of Spring Sports?, Swim coach, Tom Crocker, replied, "I think they're great and necessary."

Rain, rain, rain, was most likely the feeling of the members of all the teams. The abnormal amount of rainfall during the season put a damper on things, therefore causing cancellation or postponement of many of the outdoor activities. Though the rain softened the turf, it didn't soften their spirits, they all played better than ever.

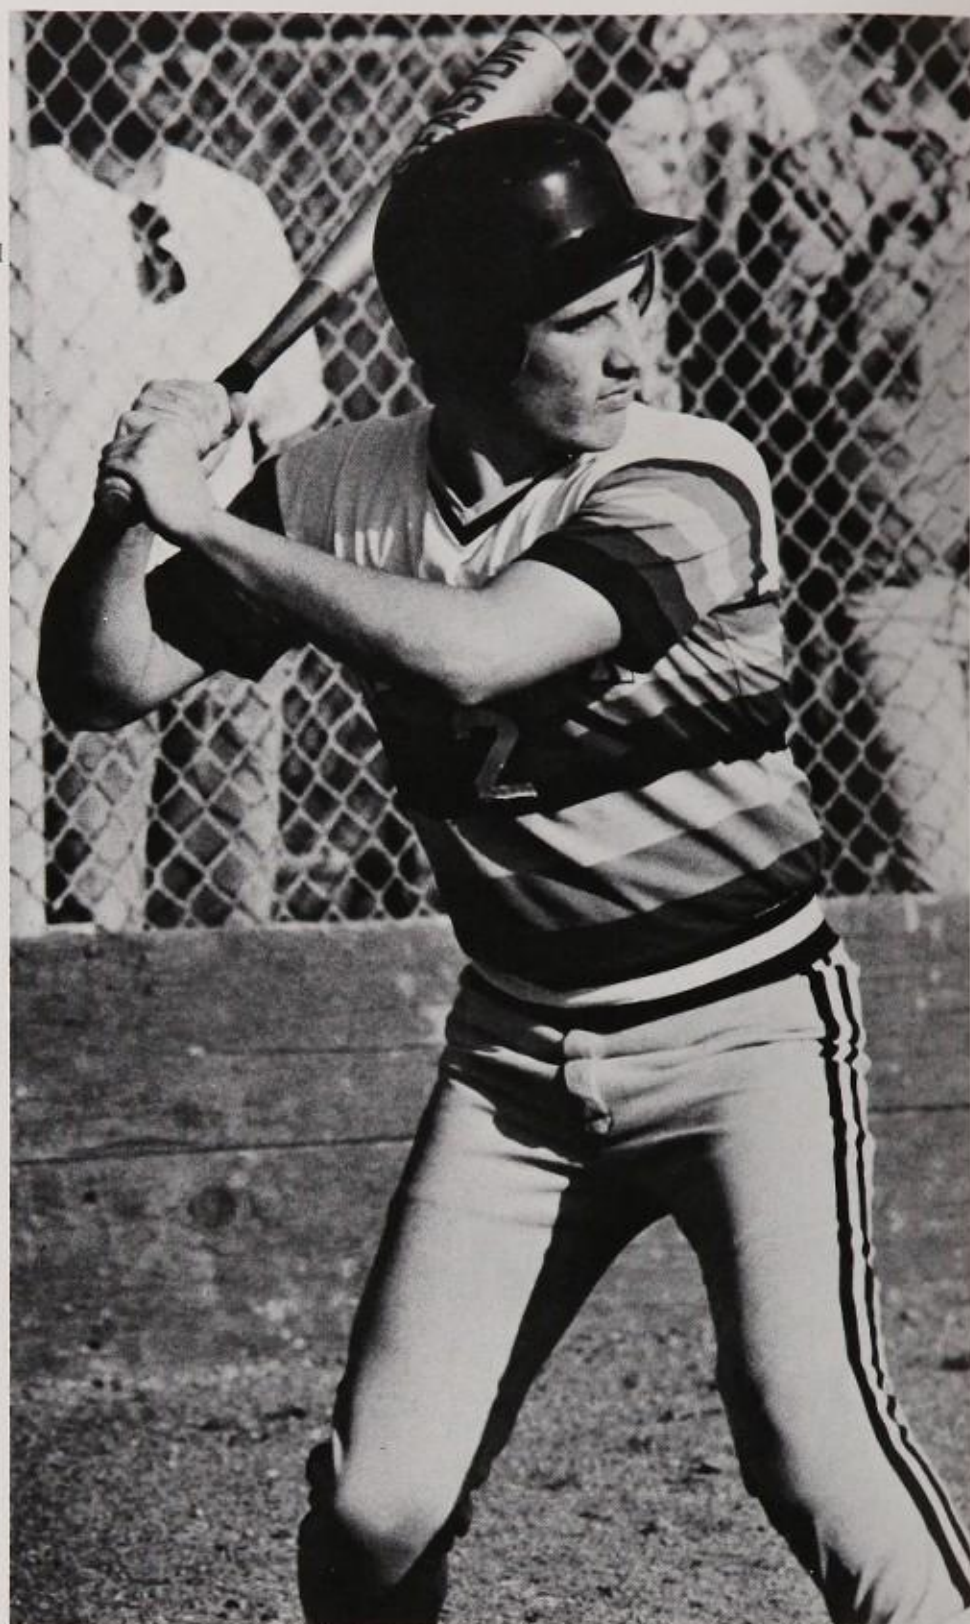

Jack Toland, catcher on Varsity Baseball, summed it up when he said, "We had the best talent in the league, and when it was put together, the championship was ours."

SPRING SPORTS

VETERAN LANCERS GO FOR TITLE

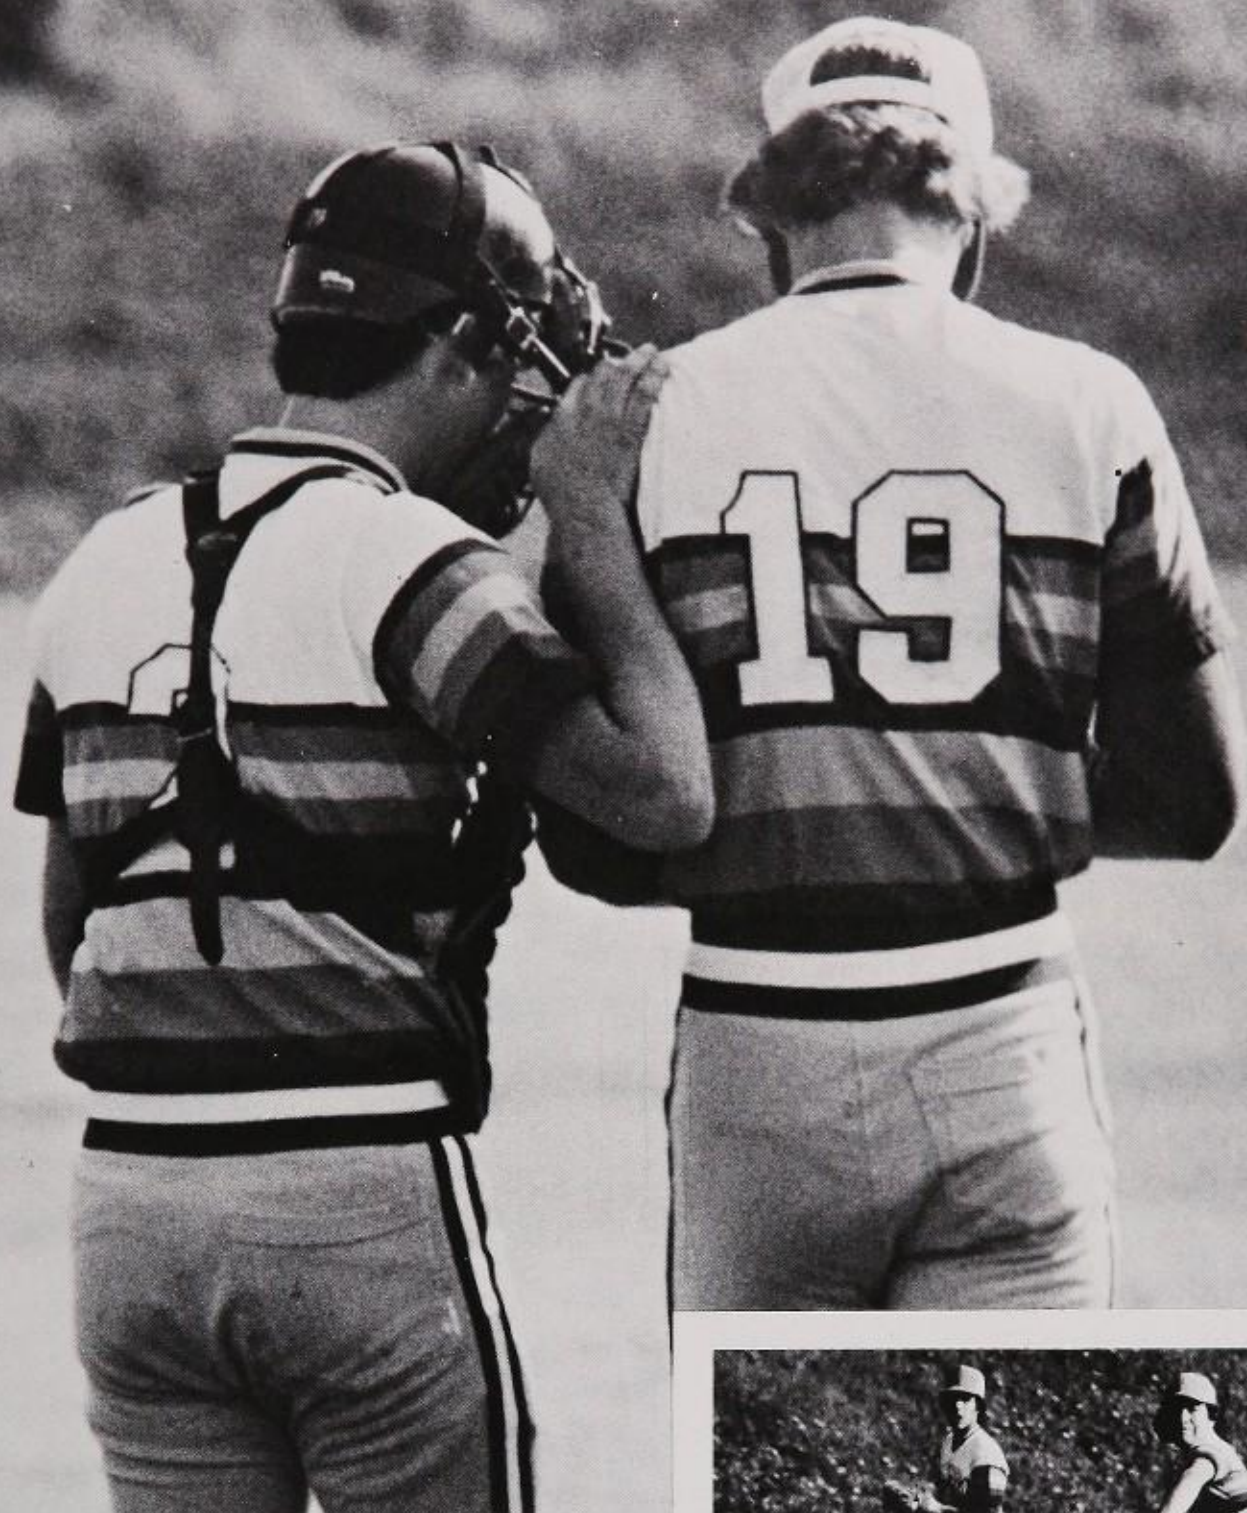

This years, 1981-82, Lancer baseball team dominated most of its opponents that they played. "This was the best team that this school has ever had," commented Coach Willie Valech. "Our team had the best talent that I've seen in years," said senior catcher Jack Toland. The Lancer squad was a veteran club and one of the top teams in the Bay Area. Ever since coach Valech has taken over we have become a winner. "We have made it to the playoffs three years in a row," replied senior Mike King. Perhaps the biggest reason for the Lancers success was the pitching of three time All-HAAL pick Doug Henry. Also helping the Lancer cause was Junior Charles Bonney who was consistent both at the plate and in the field. The rest of the team consisted of: third baseman, Tim Cunningham, shortstop Ray Magallanes, first baseman, Mike Goueia, pitcher, Doug Henry pitcher, Todd Luallin, outfielder, Robert Rivera, catcher Mike Riveria, outfielder, Eddie Melendez, pitcher, Tim Helms, infielder, Rick Oase, Assistant Coach Mike Bongarz.

J.V. SWINGS AWAY

1 ▲

2 ▼

Strike three you're out! Shouted the umpire as J.V. Lancers trampled their opponents with three returning starters, Doug Texeira, John Martinez and John Solario. Lancers have shown great performance this past year. "Even though we had some troubles with the coaching staff, I think our chance for first place is as good as any team," Dino Torres proudly stated. "Anthony Bolelo is the new coach," stated Head Varsity Coach Willie Valech. "He'll do a good job, he has a good reputation with the kids."

1. Top row: Robert Defete, Randle Cook, Rodney Posey, Doug Texeira, John Solario, Brian Price, Steve Carpfelter, Chris Bygum, Jim Perkinson, John Martinez, Dino Torres, James Coppelo, David Williams, David Sakata, Chris Kirstein, John Overdorf, and Coach Tony Bolelo. 2. 3▶

LANCERS

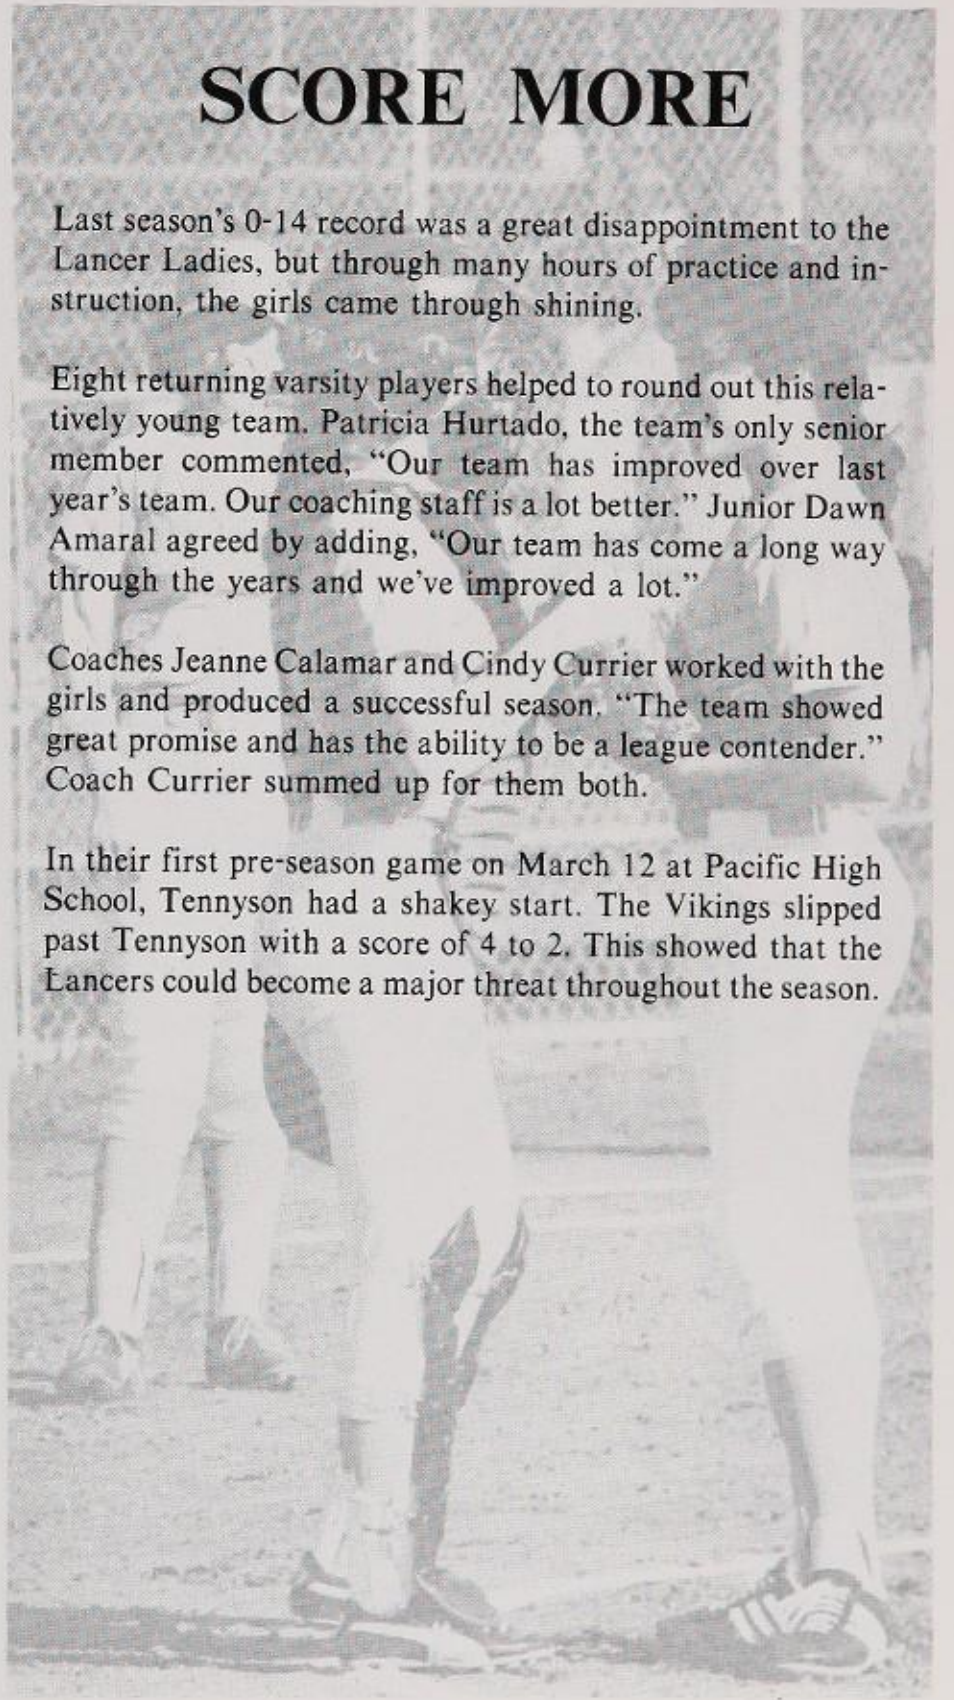

SCORE MORE

Last season's 0-14 record was a great disappointment to the Lancer Ladies, but through many hours of practice and instruction, the girls came through shining.

Eight returning varsity players helped to round out this relatively young team. Patricia Hurtado, the team's only senior member commented, "Our team has improved over last year's team. Our coaching staff is a lot better." Junior Dawn Amaral agreed by adding, "Our team has come a long way through the years and we've improved a lot."

Coaches Jeanne Calamar and Cindy Currier worked with the girls and produced a successful season. "The team showed great promise and has the ability to be a league contender." Coach Currier summed up for them both.

In their first pre-season game on March 12 at Pacific High School, Tennyson had a shaky start. The Vikings slipped past Tennyson with a score of 4 to 2. This showed that the Lancers could become a major threat throughout the season.

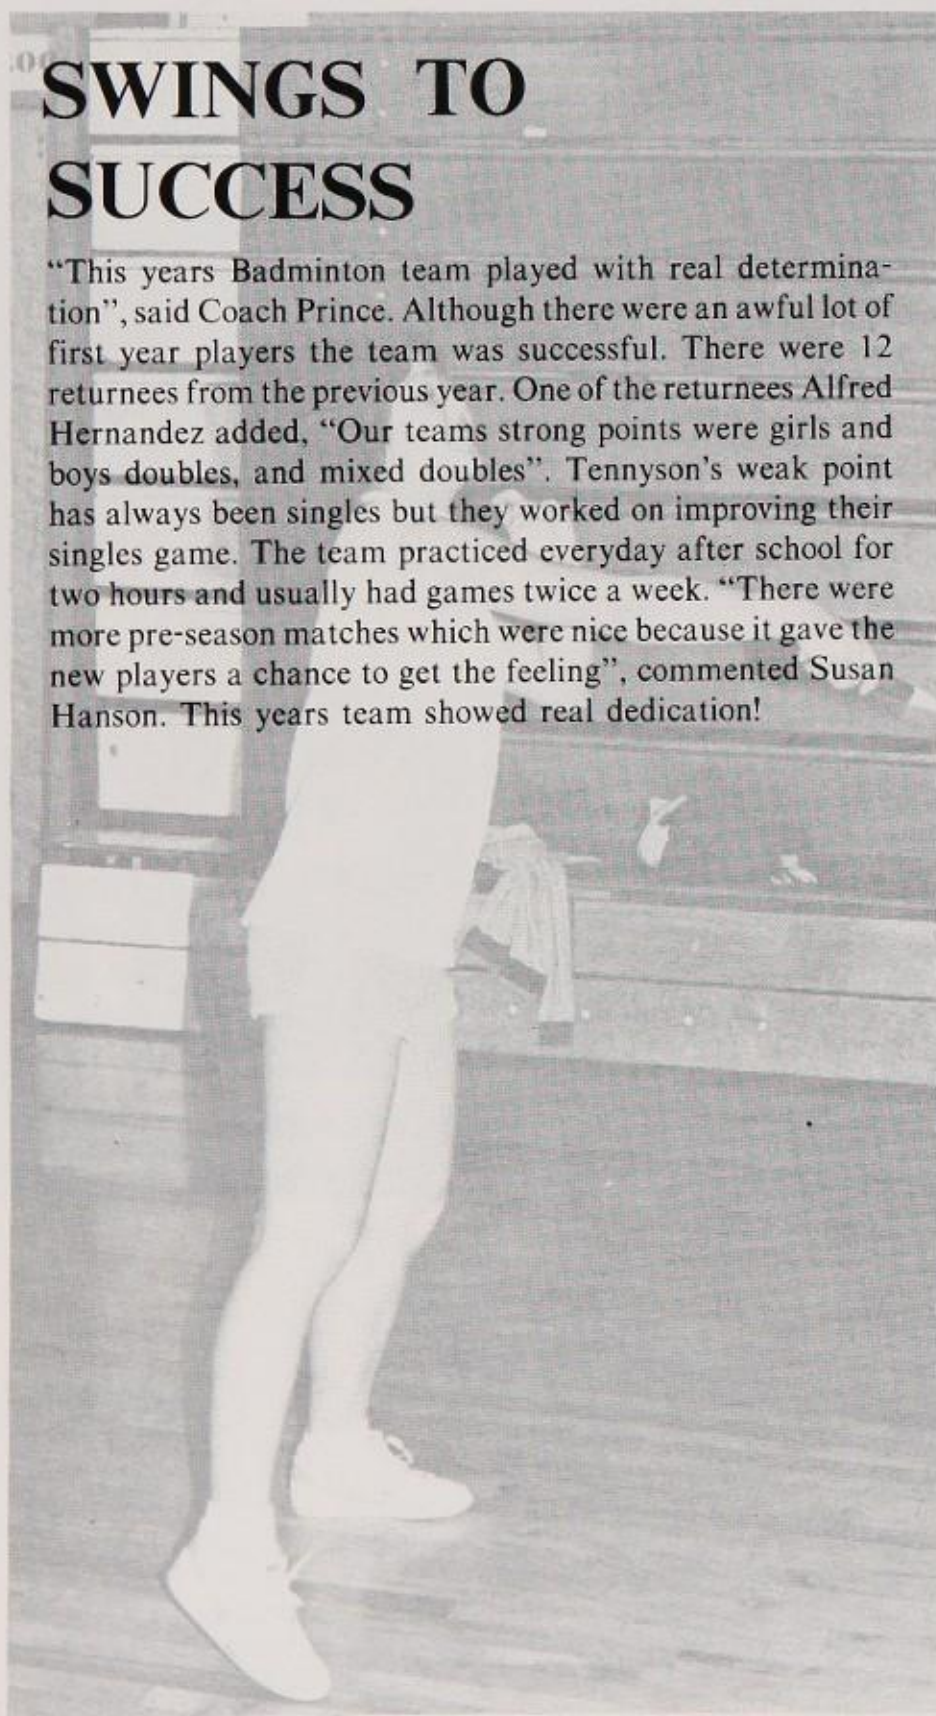

BADMINTON

SWINGS TO SUCCESS

"This years Badminton team played with real determination", said Coach Prince. Although there were an awful lot of first year players the team was successful. There were 12 returnees from the previous year. One of the returnees Alfred Hernandez added, "Our teams strong points were girls and boys doubles, and mixed doubles". Tennyson's weak point has always been singles but they worked on improving their singles game. The team practiced everyday after school for two hours and usually had games twice a week. "There were more pre-season matches which were nice because it gave the new players a chance to get the feeling", commented Susan Hanson. This years team showed real dedication!

SWIMMERS

SPLASH

The Lancers swim team started out very early in the season with few experienced swimmers. "As the season progressed, we gained experience from each meet and we were able to improve," said Mr. Crocker, the coach.

Most of the team was made up of Freshmen and sophomores. There were very few seniors and juniors. For the first time since this school opened in 1958 the boys and girls did not compete together as one team but as individual boy teams and girl teams.

Coming back for the third year is Mark Wood, as the strongest and fastest swimmer on the team, Mark commented, "I think the team did great, and, sophomore, Just Joplin has a lot going for him in the future at Tennyson with the swim team."

7▼

TRACK:

A STEP AHEAD OF THE REST

is what this years 1982 track teams were trying to do. The team had to practice for several hours a week on our track and also on the trails of Garin Park

Some of the key people on the team were Dion Washington, Manjo Sen, Scott Andrews and Ron McDonald, however the rest of the people on the team were also a great necessity to the team. "It was an inexperienced team but besides Castro Valley we were competitive with the others schools", commented Mr. Ron Stark

The team did well this season finishing in one of the top four spots in the league. The defending league champions were Scott Andrews and Marcia Whalen. "Our team this year was relatively small, but we were still the best. I wish the track team of 1983 good luck but with a coach like Mr. Stark I know that they will do tremendously well," said Dion Washington, Senior.

1

It's hard to believe another year has passed. For the Seniors, this was it. The end of four long years. To some, the years went by quickly and were filled with many memorable moments. The most exciting year was most likely this one, which included the 4th consecutive win of the Spirit Trophy, the 7-0 win over the Juniors in the annual Powder Puff game, the Senior Show and the Senior Ball which was held in the Garden Court room in the Sheraton Palace Hotel, which was a first time for Tennyson High. Another first-timer was the Senior Breakfast, which was held at Miguel's, a Mexican restaurant, instead of the usual, Willow Park Country Club. The Seniors also enjoyed the Senior Picnic at Hidden Valley Ranch in Fremont, grad night at Disneyland, and of course, GRADUATION!

It wasn't only an exciting year for Seniors, each class enjoyed the many activities held during the year.

For the Freshmen, the year was a new experience. It was the first time they participated as a class in Spirit Week and the Winter Rally. And for the already experienced Sophomores and Juniors, it was another year of preparing for their Senior year. With all of their fundraisers, they will be ready to plan action-packed upcoming years.

CLASSES

FRESHMEN SAFARI

was the theme for the class of 85. It didn't take them long to get into the swing of things as they had very little trouble finding their way around here at Tennyson.

The Freshman Safari took second place which was great, because for the past three years the freshman classes have placed fourth in Spirit Week, which proved that the name Freshman isn't anything to laugh at. Rolling in the dough was just a mild way of putting it for the freshman money makers as they brought in an estimated \$500.00 dollars for this school year. The first money making pro-

ject that they had was a candy sale which was a great success! As their freshman year came to an end, they looked back on this year and were sad to leave their freshman year behind, but they were even happier to become Sophomores.

The freshmen class officers were President Frankie Luzaich, Vice President: David Sakata and Treasurer: Teri Benbrowicz, which was one of the reasons why they were one of the best freshman class that Tennyson High has had!

SOPHOMORES SHOW UNITY

School spirit is one thing Tennyson High seemed to lose more and more of as the years have gone on until the Class of "83" came onto the scene. Although the class took a measly third place in spirit week competition with the slogan SOPHOMORES GO BANANAS, they had the widest variety of people involved in the spirit week activities in many years. Jocks, rah-rahs, and just the normal students joined in on the spirit week festivities when usually only the rah-rahs are absorbing all the fun.

The sophomores took second place in the float competition and first place in the hallway competition. If it weren't for not getting enough bonus points during the week of fun the sophomore class might have been in contention for the first place trophy.

Led by class officers Steve Bongard, President, Dahlia Buss, Vice President, Sheryl Shawen and Steve Jackson, Secretary/Histori-

an, Cliff Chin, Treasurer, and Mike Bronzi, Rally Commissioner, the Sophomores took their turn at making a little bit of money with different fund raisers. These fund raisers consisted of car washes, coupon book sales, a candy sale, and an aluminum can drive.

The class made over \$900 on just three of the four attempts at raising money. The one fund raiser that failed was the aluminum can drive. The only cans brought in were those of the teacher advisor, Mr. Morrison.

"Well, I had a fun year. We tried but I guess we needed to get it together sooner," said Sheryl Shawen. This thought was shared by many of the sophomores and because of these feelings the class of "83" showed they were more together than a lot of classes were in the years before them.

JUNIORS

The Juniors of '83 were led by President Donna Sakata with added support from her cabinet and class adviser Tony Iton. Due to lack of participation, the Juniors had to cancel many of the fund raisers planned, although they did have one candy sale which raised a fair amount of money and a pizza sale which was a success. Even with the Juniors two previous years of experience in regard to spirit week, they were disappointed again and unexpectedly fell into fourth place. Junior class spirit week cheerleaders were Connie Aduviso and Cathy Slayton, unfortunately Connie was injured at the rally and Cathy showed tremendous loyalty with her solo performance at the homecoming game. Academic achievers, Cassandra Troutman, Mary Reyes, and Julie Umale led the way. This past summer they attended school at U.C. Berkeley, which was the first year that anyone in the history of Tennyson was allowed to attend. According to Deana Muriset "Tennyson is getting to be more exciting as you get closer to your Senior year." George Henry is getting to be different outlook on his years at Tennyson. He stated, "It's been pretty good so far but it will probably get worse!"

When the Seniors of 1982 came to Tennyson in 1978, the halls seemed filled with unfamiliar faces. As the years passed by, those same unfamiliar faces became friends and acquaintances. "The last four years have flown by so very fast, just like everyone said they would," commented Senior, Cathy Hennessey.

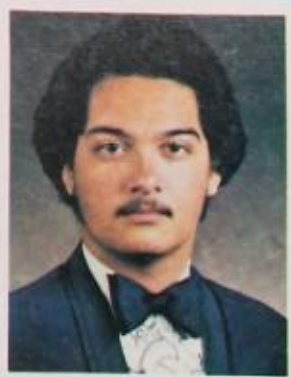

Our first shot at Spirit Week we decided on Freshmen Freighttrainers. As a class we took 4th place with a lot of spirit and pride. Our float was our last effort at the Homecoming game of 1978. We built a caboose at Sue Speckman's house, under the direction and leadership of Sue Speckman and Cathy Hennessey, who shared the responsibility of Presidency. The first prince and princess of the class of 1982 were Steve Dimas and Sherry Blakley.

For Spirit Week in our Sophomore year, we decided on the Sophomore Sixties. It was a great year for the class of 1982. We really came together as one, and took second place for our efforts. Our prince and princess were Brian Downey and Mendy Wilson. The class Presidents were Regina Rheiner and Barbara Bower. "That was one of our best years," commented Regina Rheiner.

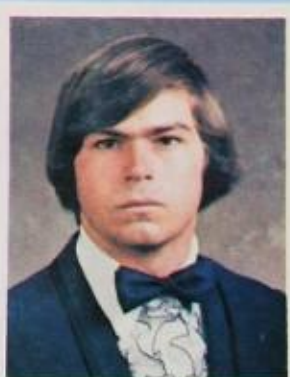

The year of 1980-81 was the greatest of all. We took first place with the theme of Junior Geronimos. Our prince and princess were Scot Andrews and Jeanne Esser. They rode proudly on the float which was a tee-pee and totem pole. Cathy Hennessey took the job of class president for the second time.

Our Senior year held many memories too. Our theme for Spirit Week was Senior Syndicate. Everyone was dressed up like in the 1930's. Our Senior Ball was held at the Sheraton Palace in San Francisco in the Garden Court on May 21. Everyone was all dressed up with the thought of it being one of our last days together as a class. The Senior Breakfast was held at Miguel's in Hayward and it left everyone with wonderful memories.

As we sat in the quad, signing yearbooks, all the memories and good times came flowing back to us. Now that the year was at a close, we shall all go our own ways but only to remember those four wonderful years at Tennyson High.

The NEW Profession of Real Estate

Professional Training and Development

Red Carpet® provides you with specialized personal programs that go far beyond the how to sell concepts of other companies.

Whether it be in your office, in the field, or at workshops or seminars, Red Carpet® believes in and practices individualized personal instruction. Through specialized Red Carpet® programs you can become a successful professional in:

Defining prospective client's needs

Communicating vital information about the marketplace and your professional services

Identifying prospective clients and sources of prospects

Explaining to both buyers and sellers the relative merits of current and available financing methods

Successfully completing all details of any purchasing or selling transaction

Planning and organizing your daily work activities through professional time management

Developing your own professional sales personality

Management Support and Guidance

With each Red Carpet® office independently owned and operated, you have the advantages of working directly with the decision makers in your field. We, as Red Carpet® brokers and managers, are not only willing to work with you in the daily business, but are interested in you becoming a part of the Red Carpet® development for the future. Special newsletters let you share ideas, programs and information with your fellow Red Carpet® professionals. Extensive inter-office cooperation programs plus a national referral service aid you in providing professional service beyond just your local marketplace.
